My life has become a symbol .

**In my life the words-- walk,work
and wake are all actually guided

Writer .

“O Allah, I haven't worshiped you because of lusting of heaven or fearing of hell. I've worshiped you because you deserve to be worshiped.”

“Don’t be a storehouse of memories. Leave past, future and even present thoughts behind. Be a witness to life unfolding by itself. Be free of all attachments, fears and concerns by keeping your mind inside your own heart. Rest in being. Like this, your life is always fresh and imbued with pure joy and timeless presence. Be happy, wise and free.”
