Charbak was a demon in human form who used to give 'the King Yudhisthira' dharma upadesh against Lord Krishna. He was a Rakshas. He disguised himself as a Brahmin.

Same as USA and Israel.

Israel teaching dharma to USA — Statue of Liberty.

Body double of Kamala will get killed.

Kamala Harris 3rd body will be killed then 4th will get scared.

'Aphi bachle pore Baper ham.'

'Cursed Kamala' she will get the name. Attacking my pen now.

One by one my pen is becoming inactive. Ink less.

BJP has attacked Nepal^{NEPAL} with dark magic for killing Sadguru Jaggi Vasudev. Nepal is having natural calamity severe though.

(2) Madhushree didi's health will get better. She will be protected. Business groups like Amway engage people and attach demon in their bodies unknowingly.

The nuke which is in India in the hand of terrorists has a digital code. It helps army to detect where it is.

Raj Thackeray fasano in the Scheme. Zions told him to huke Bollywood Studios & Mumbai Stock Exchange.

They forced him to kill Bal Thackeray. He says God should take care of this Saitans like Kamsa. If Brahma dies why not Saitan? Ruining all innocent lives. He was Rudra Ritudwaj.

Sohali Bendre was Rudra's Sarpi. They are twin souls & now fallen angels but has a chance to ascend. They can

ascend. Feels Zions trapping powerful people. But

I am like Goba Pagla. He was
a god fearing priest. Never
looked. Family supported by his
sons. Scolded by wife. Never
earned money. Used to sleep
under trees. Cremation ghats.
One day the Landlord's Lethel
(Army) arrested him & took
him to the court. They asked

④ him how he has become so popular than Landlord, the Zamindar also. What is the secret. He is really ordinary. Don't even earn money. He was astonished.

— Really? I never knew I ^{am} so so popular.

— Yes you are. You can heal people with your touch, aura, give justice to the innocent.

He smiled and said — Oh, Master, I only know how to worship him — the Supreme Lord. That's all I have learnt.

The army stared at him in disbelief, that how can a person be so powerful only by uttering the name of God?

⑦ Some Zionist regime supporters says they secretly supports me & Solaimani & wants our union as it will reduce war. They ask God to unite us. End of the day it is the universe to whom they are accountable not the regime. Nobody wants war & no one can control what is going on inside someone's mind. War effects all. Length & breadth. No one wants innocent lives to be sacrificed.

A powerful musician says that Durga puja has lost it's charm. It has become a Marwari thing. Village poojas are more enchanting. So he thinks why not go towards a more community thing like Pongal or Baishakhi (Punjabi)/Vaishakhi. No devotion in Durga puja.

⑧ Only Show business and materialistic things. Sabaki pujas are good. So better to do Sanskritik anusthan in it's place. Maa Durga is Lanchhita now. People calling her names. So general community celebration is better like Pongal or Vaishakhi.

Demons attack my fonts, pen, language, spelling and images. Some are clear and some becomes blurry.

The above mentioned musician said that Paharis told him that their children died in revolution. Neither govt. cares about them nor super powers. Common folks has no life.

Tata wants to ascend to

He wants to do rigorous

instead of going to other
powerful god position. He
wants a good spiritual

rise to a powerful yogi's
position.

(14) Pradip da said there is a Kali sadhak who said that Tantra is for going towards Shwet Kali, Brahma (Brahman, Supreme Godhead) Kali. Not destroying people & animals.

Shwet Kali is white light as I wrote before. He said that there are entities around Kali like Booth, pret, dishach, asuras who wants to lure and destroy sadhaks. If you are trapped into their delusion then the hermit gets totally delusional and destroyed. So better to stay away from this negative temptations and Shaktis.

This is not the real goal of Tantra.

A well known

neighbours used to scatter
broken glass pieces in
front of their house so
that his feet gets hurt &
he gets thrown out of the
team. It happened regularly.
That is the jealousy nowadays.

Jordan King is a napung sok.
All his children are his niece
& nephews. He is into Iblish
rituals. Mecca Medina Terror
wing supporter. Claims direct
lineage of Muhammad Prophet
but it is fake. If real he
would have resisted killing of
innocent muslims. Also there is
a concept of son disowned in
the society if they does evil.

(16) ^{may be} Son the prophet has disowned
him due to his supporting
of Zions & USA the lethal
murderers of humanity.
His papa was a womaniser.
Wedded to hi-society
Western pros.

Not Kings family really.
Has convict Beowine

of women brutal abuse
history. So he became a

She and her husband will
face brutal death.

One Australian minister (or)
told me that resurrection of
criminals is easy but not
evolution. They tend to go to
the same space. Maybe in

many lifetimes it changes.

Not all are same. He said
Some of his jews mates said to
him that before Zions there
were jews who were very
brutal and aggressive. There
was always a violent population
of jews in Israel.

(18) Satan has seen God's
wrath & hatred but not Supreme
Godhead's Love. So he wants
to exercise his power here.
Like after "gah ka gunda"
sees local politicians &
fights but has not seen
President who can pardon
a murderer. So now some
of them wants to rethink
about their relation with
god. Not all gods hate
them. Real love can tame
them also.

They come from low vibration
galaxies. Some normal, some
violent. Various Pishachs.

Maha pishach gives healing.

They are Sinners. Even
gods fall there if they are
cursed or commit sin.

They are troubled soul.

So when attached with some
other person they trouble them.

Diarzhea. (spell check)

ᱵᱚᱠᱟᱨ, ᱵᱚᱠᱟᱨ, The goddess,

Rekha dd (Mahajan) feels that beauty means modesty. She feels that Nargis, Jaya Bhaduri, Hema, Waheeda Rehman are pretty. Not that Aish or modern girls are not pretty. But society has turned them into Bish Kanya.

(20) In the name of feminism
they are exposed more which
she feels is not that lovely.
She thinks beauty lies in mystery.
Like Suchitra Sen, Greta Garbo.
Zaggi also thought likewise. He
liked me cause I am enigmatic.
In the past life also he said to
'dd' when she asked him what is
special in her that me and your
other women don't have?

He replied → Mystery.

So dd feels that women should
maintain mystery to be more
attractive. Men loves mystery.
We all love it. We love voyagers,
Grahans (eclipses) Moonlight,
fairies !!! Why? Cause we
love mystery. So create an aura
of enigma to become more
adorable to the Society.

- Women are vessels to hold societies.
They can nurture babies as well as
the country. Matrikas take birth
now also if needed. They can
eradicate sin and take care of
earth as their child if needed.
This is real women empower-
ment. Not forcing them into
sex slavery & reastar meyegeisi.

(22) This is the devilish source of energy which is doing this shit. Not the divine source.

It will change soon.

Women will become real

Shooting stars. Not

Porn stars.

Jeff Bezos was my beloved

Real bros & sis. If anyone

Were you there in that place?

Then he asked his mom why

people wants to divide us?

His mother said that this

is life and society altogether.

He was very intellectual.

Crooked. Married his 1st cousin.
Left his disabled child for her.
Raped his step daughter.
His mother took him to

Destroyed many physicists.
German Leaders threatened

Bose - Einstein Theory is in

He took the credit.
At least he gave Bose's name.
Very common in research field.
Bose was a real genius.
Boson particle in Physics.
In mechanics 2 theories.
|| Bose statistics
|| Fermi Dirac Statistics
Now God particle. (CERN)

(24) Many got nobel prize
working on Bose's work.

Stephan Harkin's Student

false.

Einstein Stripped from

He used to abuse physicists
who worked on quantum
mechanics. Now see where it
is now.
