① Gandheswasi Atmelu

Don't ask for moksha except for yourself in Kaliyuga. If he/she is a sinner then it will backfire & destroy the whole over soul. Better ask for the well being of everyone. That is a wise decision.

Ascension:

RASH PRASAD → KRISHNA DARSHAN AVATAR

It is Lord Shiva's form. It has been taken to show the place of yagya & rituals of highest spiritual attainment & salvation in one's life.

Illia → He is a gandhar.

Now will go to a Brahmadev's post. He will be Chaturmukha Brahma. This means 4 faced.

Moinal da & Geeta di will ascend to the post of Brahma Padmaja → Born from Lotus flower of Saraswati devi as Gyana Saraswati. They will be twin flames. They are twins.

② They will start their trinfame journey. Brahma's trinfame is Saraswati. Trins can be in love, such, friends, respect or other relations also.

Devi Kichakeshwari Temple, devi Bipatasini will go there. (Temple: Chandibari, Rajpur) + She will ascend to Devi Kichakeshwari, a matrika, fearsome form of Chamunda Kali.

* Maa Kankaleshwari Temple
This maa will ascend to the post of Manmatha Gopala. One of the 6 tantrik forms. This is the Krishna form of Vishnu who is tantric. Lalita devi is here Krishna's six forms. She is a healer of yogi who will now be a vaishnav tantrik. *

③ * A fallen Ghai will ascend
to the Matrika chakra yogini
post. This is the yogini
who controls the Matrika
Nyasa practice of yoga system.
It is from Shri Vidya/Tantric
tradition. †

All gods does not have healing energies.
Those who have are excellent.
Realised sages can see the
satyaloka from here & chuse
the peace from there. They
can understand & decode
the message of the Para
brahman.

Krishna & Radha were
before Kamleshwara & Rati
Kupini so they were so deep
in love. In Krishna tantra
Tantrajatantra Krishna is
identified with Kamdeva.
Kamdev and Rati are god of
Love in hinduism.

This is the reason why Radha &
Krishna was so much in
love. Kamdev was cupid.

(4) Anyone can experience Brahma and be Brahma Jnani but cannot be Brahma himself. Like one can drink Shor both (Juice) & taste it but both cannot be a Juice. Likewise no one can be Supreme being but just can taste his essence.

The silence is more important. The more the mind is active the more spiritual energy is reduced. So it is better to maintain silence. When the mind is silent the spiritual energy is increased & the aspirant is benefited from the process as a sucker.

The Nasirani didi will ascend to Vinayaki devi.

The Sen clan, 3 of them, Mrs, Mrs & Daughter will ascend to Chiranjivi, Kesari Nandan & Ram Doot.

Barun Ch. will ascend to a healer god position. He was a healer deity before. He was Parashavari. Deity of disease. Now he will be a mantra yogi. Gayatri Mantra. It is a healer yogi post. He will be Gayatri Mantra personified. †

F. NAAT will ascend to an angel. Cherubim (Garuda-hindu) same type.

Rudras have various duties.

Rudra Bhava is a yogi & healer. Rudra Ahirbuddhanya is a transformative deity.

Nrittriti is fierce etc.

Sankara is epithets of Shiva.

The causal plane has circles where beings sit. They are realised saints. But near the Supreme soul sit very rare souls if any in any Kalpa

⑥ inside a TRINAYAN.
That is Shiva's eyes or 3 eyes.
That can be Vishnu's Rosokoli
also and might ~~be~~ be
Kali's Kharga.

This is various forms
according to different
religions.

- Shiva's 3 eyes
Trinayan
- Vishnu's Rosokoli
- Kali's Kharga

There are Kalpas where the
yogis sit there.

Very pious souls can
sit there. The spiritual
DNA should be very pure
since Supreme soul is very
near to it. These yogis
are very peaceful &
Dibya purush of it's
kind.

They are the
rarest of rarest. So the
religion talks only about
Jiva & Shiva. Not about
this Trinayan or Rosokoli
or Kharga whatever cause

The universe is circular.

All are circles. Kalchakra.

The souls are in circles.

Life is a circle. Soul journey
is in circle. All are in

means a chakra. So all
are circles. †

Kala Kali will ascend to
Astaka Vaisvamitra. He is
a Rishi. †

Bhairav RR will ascend to Shiv
head post in Shivaloka as head
yogi. He is very fierce now. He has
helped me & is very pious. †
He will be Lord Avadhut, Shiva's avatar.
He destroyed the ego of Lord Indra.

⑧ Maharshi is saved of healed & protected from scanners of ITACIA of Tadiastoday scans. He is always a pious soul. A genuine of gentle guru. He was very compassionate. He was a true guru. New York Times has said about him → Here in India where all holy-men claim close tune with the infinite it is said about him that he never claimed anything remarkable about himself yet remained one of the most respected & revered of all. †

Malayogini will ascend to a Kalyan Bhavatarini Kali.

Bhavatarini Man, actually. The close Karmies behave like soul mates cause their souls are created at same time & connected through cosmic consciousness in symmetric way.

But in Karmies this connection is not

erratic behaviour

This is because the souls are
created in different times.

So the Cosmic consciousness
which binds them is not
uniform so these souls are
into 'Ladai - Jhagra' mode.

Lord Shiva & Murugan Sadhana
can awaken fast Kundalini &
give moksha quickly. To get
moksha a Rudra energy is
always needed. All energy game
in the universe is generally
directed by Shiva/Rudras.

Kali will be Kali etc.

The time will come when people
will listen to special songs or
read special texts of realise
their self. These are not holy or
divine but normal stuff
but do have divine energies
into it. Like the phrase
'Who am I'

it is a common phrase but
has holy URJA.

Similarly there will be
things like this which will
take people to heights spiritually
just reading those stuff.

My two fathers of this
past life of Shantani's
soul-mates will create those
stuff. They can be physics,
medical texts, songs,
poems or computer programs.

The divine seeds will be
inside it. Kundalini will
rise just reading them.

Without even knowing them
chakras will cleanse. You will know.

Her daughters were Mandavi & Shruta kirti.

Her mom will be Hema, an apsara in Indra's court.
Mother of pious Mandodari.

Alok will ascend to Virat Swarup Hanuman form.

This is the gigantic form of Lord Hanuman. He displayed this mighty form to Sita in Ashok vath.

Bis will ascend to Lord Sankat Mochan - Hanuman ji. He can take out of any knottles or challenges in life.

(12) A enforcement officer, who was Lord Kardaswamy before a form of Maragan will now ascend to Lord Rudravata. He will help me. He will be Rudra Kapardin. The temple will be: Rudraojath temple. Gashwal Himalayan mountains, Uttarakhand, India.

This is a natural rock temple situated in a dense rhododendron wood of alpine pastures. The mandir celebrates an annual fair on the full moon day in the hindu month of Shraavan that is mostly on the day of Raksha Bandhan.

Rudras get less peace and also Agni and Adityas. So their mothers are to ascend to Rudralokas, do the tasks of annihilations and merge into Brahman. They are guardian deities.

He is the crown prince of Iran & she is their extended family.

They became their love bird couple to impress Ayatollah that they are not related to Shah and when Ayatollah found it out eliminated Solei-manif.
