Baga is healed, saved & protected.
His whole body - physical & astral
is healed, saved & protected
from all evil stuff. Almighty
will all the time protect him
from all danger.

Arunachala Siva. Matrika - Dhyanis,
Bhairavi, Ekjata Tara, Bagalamukhi, ~~Shubhanga~~

The tantra thought of manifesting
good stuff like legs for the
amputated or wealth for the
poor & homeless hence they
diverted from Dakshinara
tantra & created Vamacara
tantra with fast manifestation
power to help humanity of
others. But evil people took
it in another direction & started
harming others with this power
and they started manifesting
evil things into other people's
lives. Slowly good tantrics got
destroyed and the evil ones
came forward and the power
guys lost manifestation power
with which they could have
manifested holy things nicely +

There are a total of 9 Narad Muni's in every cycle of Jain Cosmology. Current one has one called Adhokmukha.

Self Realisation means not losing identity but acquiring a Karma free stature. Then you can enjoy the cosmos as your wish for

that is the Leela of Krishna as Vaishnabs call in our culture.

No Karma will touch you. You will be free from selfish motives and wicked desires. Only work

(4) for the benefit of the
cosmos & your own desire
that to help the cosmos in a
better way. Not to destroy
anything or anyone as it is
God's playground not any
cunning person's watch tower.
Realise your self & then enjoy
the cosmos stress free which is
better option then no one will
be able to punish you or
make you astral dust or
send you to hell.

Rudras are very pure energies. They are law keepers of cosmos.

(18) They are very pure souls. They look for some annihilation & jump into cosmic centre aka Godhead which is a sign of detachment towards material world. They are matured & brave.

Not everyone can jump into Supreme Brahman because he is unknown & infinite.

Finite is scared of infinite.

So they are selfless & pious. They don't sit inside the causal plane with a karan sharira.

That does not make them less pious in any way. Self Realised sages have causal egos.

They look for God.

Their deeds are selfless. Ours are selfish.

But Bodhisattvas are pious, selfless souls who can achieve Realisation but they look for God &
