## KRISHNA JYOTHI

Will the jews will, you face mass Holocaust?

No No - not → 'Holocaust' - Holocaust. Holocausto - phe.

My messages are symbolic.

People are inspired since Google trending search words are -

① Is Qassem still alive?

② Who is Qassem Soleimani's Second wife?

So you know what I mean. I am in touch with his family personally here in Australia. The heaven has realms. The pure gods resides in one part. The medium level in one part and those who ascend from demonic places resides ~~from~~ in the lower stratas of heaven.

When Marjorie was a kid & was in orphanage she heard about Jews crucifying Jesus. She asked who was Jesus & learnt that he was a saint means a good human being. He also loved people like her, orphans which impressed her a lot. Then how can someone crucify him so brutally? How can people be so cunning? Who are they? Then she heard that they are Jews. Where do they live?

They live in Israel. But they are in USA also. (45% of them are in USA) or 45% of Americans are them. She was scared like hell !! Oh! my God - !!

Mahadi & Tapash da wants to be top notch performers in Bengal and they will succeed in their career & have domestic bliss & live long & have a good adhyatmic guru from Vaishnab Gharana. They will get it & ascend to higher lokas.

② The energies people attracts, come to them. I used to like lots of ghosts & spirits. So now so many negative energies have come to me. This is conveyed to me by a noted dravid monk.

There were curses on "Tagore family" so they became deho bebsayi. May be on "darvanga royals" so they have become dacoits. These things happen when curses are put on people. They stoop down to low levels.

The tantrists sense the energies & they call or manifest them. The cosmos creates & absorbs huge amount of negative energies. The tantrists can sense the new energies and then manifests them. The Mahavidyas & Kalis show them dream interpretations which proves that new energies are born & gives them mantras to invoke & arrest them from harming mankind. +

Filmmaker Ray will be the father of Garud ji in next life. Garud ji will be a photographer who will change the landscape of photography with AI generated photo shoot. Garud is my brother.

My Grandmother will be Kaumari & Grand father her Chanda Bhairava.

Bijaya Ray will ascend to Bana Durga or Vana Durga a form of Shakti & Satyajit Ray to her consort Sadashiv (Aranyak Ishwar).

Bijaya Ray and my grand mother will be twin sisters & will be born in TRIPURA ROYAL FAMILY. + RSS tantrist Miss Ghebre is a malignant tumour. She wants to beat Sadhus. Her father taught her that. RSS sells Religion in the country.

③ She works for Israel. Says why Ramana Maharshi plucks fruits and eats. Why they beg. They should stay in upper lokas and tell gods to stay there and let Satan rule here. RSS & BJP will be now declared terrorists now globally & their visas & passports will be confiscated - confiscated in the countries they visit!! (Confiscated)

Krishna never touched any women. He had many wives. All his children were his Manas putra. That were thought provoked child. The Yuga was Dwapar so it was like that. Now is Kali yug. So sages do sexual intercourse. Else they are capable of creating manas putra too. But they flow with the tide.

Bijaya Ray my Thamma will be the Vana durga devi of Kathiramanthalam Vana Durga Temple, Thanjavur, Tamil Nadu. She is also called 'Rahu Kala Durga' for her special pujas held during Rahu Kalam on Sundays. Saints like Agasthiyar came & prayed to this goddess. That time this was a forest.

This is a special Durga temple. Here she is in Padma Peedam, not in Lion or mahisha vahan. Mrigasira Nakshatra jataka visits this temple at least once a year. She is Vana Durga Parameswari.

Her consort is Sadashiv. They are both great healers. Could heal from toxicity, incurable diseases & animal & snake bites. This Sadashiv is Aranyak Ishwar. Forest form of Lord Shiva. Nowadays people are so much into tantra that they kill servants and does 'Shab shadhana'.

④ It should stop and innocent poor lives should not be sacrificed.

The tantric families get attacked by other sorcerers. So they take protection to get rid of all these non sense.

They take Raksha Kavach.

But if the Baan Backfires then it can create havoc since a tantric should not attack another tantric in the first place. The Baans are

not that harmful for Baishnav or Achist families. Shaiva families also suffers quite a bit from the Baans.

This is their energy bodies.

The Cosmos is very complicated.

The ego has to surrender to Sadguru to realise the self. Ego means the higher self. Not here the lower self.

If the higher self surrenders then the guru can take control of the ego and the self engulfs it and then it realises it's true nature as Brahman.

Else the lower self keeps on interfering as it Pseudo surrenders to the Guru & then creates havoc in the earth plane.

If the higher self surrenders then the Sadguru can ~~ann~~ take control of that ego and drive it according to it's Karma in it's spiritual journey.

Sadguru is a God Realised guru.

The duty of the guru is to untie the knots and grant Realisation. If you tie more knots it will be difficult for guru to untie it. Knots means Karmic knots.

⑤ advice can be your guru. Guru means removing darkness. The 4/5 Kalis who are working against god will be removed from heaven.

They are cheap tantrists who ascended to that posts. Kuladevi. Protecting devotees. But goal of devi or devtas should be protecting 'dharma' not devotees. Else they will fall from grace. President's duty is to protect innocent people and country not the prime minister or cunning general of India, likewise. Sambidhan is written to protect citizens, not to protect Sambidhan itself. That's why Vishnu has to descend here to restore dharma here in each passing age.

— Samvabami Yuge Yuge.

Iran's Shahbanu has ascended to Vishnu Durga post. She is the sister of Lord Krishna.

Durga means she takes us out of Durg the fort of illusion killing the demons.

This Durga has killed Durgam Asur.

Her objects are conch shell and chakra, parrot.

Patteeswararam Temple is her abode. She is Shanta Swarnpiki here. Lord Rama worshipped her here before slaying Ravana.

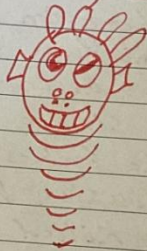

Sage Vishamitra was killed Brahmarishi here only. Iran's Shah will be her consort Shiva called Dhenupureswarar & Vishnu Durga is Gnanambika here.

Shah and Shahbanu are twin flames and they will start their twin flame journey from next life.

Bidhu Binod chopra if surrenders god will forgive his 50% sins. Remaining 50% will be moderate. It will be his life lessons else he will be in same situation next time.

⑥ The Zionist Regime kills brutally & feeds the ghoul. The blood automatically is sucked by the entity. The dead body or 'Lash' is disintegrated automatically stops as some 'invisible object' when Satan eats it fully. The dead bodies are that of their members who works for them all celebs, politicians or intellectuals. They don't handover the body for funeral. Takes it and feeds to Satan/saitan/Saylan. The soldiers are also included among them who fights for their country. The cops, spies even innocent kids of these people.

The following deities are Shantannu's Soulmates who are protecting him & will always protect him & Madhu.  
Raksha Kali, Bhadra Kali, Guhya Kali, Risabh Avatar of Vishnu, Yogeshwar avatar of Vishnu, Shaligram Shila, Mandhatia pious Vaishnav King, Sarotri fierce form of Saraswati, Devi Brahmani, Neelkantha avatar, Yatinath, Avadhut all shiva avatars. My parental home Griha Kali maa is very powerful. She is Shree Mahakali of 12 armed. Very fierce form of Maa Kali.

(7) When karmics entangle energies for many incarnations then they become like a soul-mate only. This proves all is illusion. Like Guru Bhaais. They are close but may not be biological brothers.

Close relations with karmics is better than relations with distant soul-mates. Distant soul-mates behaves like karmics many times due to energy which becomes less due to distance while partition of souls. Then they are entrapped into maya and may behave like unknown entities.

This actually proves ego is the main reason of our behaviour which can be controlled & taken towards ultimate goal of self realisation by severe sadhana as all are connected through one supreme consciousness.

You should only be attached to the Self or

Brahman rather <sup>than</sup> your soul-mate or karmic. There will be a yogic belt given around earth to protect it from demons.

Please excuse my spellings & grammar as I get attacked by dark entities while channeling.

My fonts get garbled and pens become inkless. Please bear with me.

Forgive me if you can. Read the msgs. only.

One of my ex mothers who was an ex-actress has said to me that Shahrukh once said to her sadly that why Indians hate muslims so much. They are all same color, speaks same language, eats same food. They are Indians first. Shahrukh has faced lots of criticism & hatred. So he took protection from ISIS. Else RSS have murdered him. Then he voted for BJP in private then only they stopped harassing him.

⑧ When the Australians started abusing the Indians then the Indians started bad mouthing Australians about that so he said to my ex-mom that now that Aussies are abusing Indians, they are shedding lots of tears but they do abuse fellow countrymen here in India repeatedly without any remorse.

My mother was sad but she tried to say things so that his pain becomes less. She is from Rudaali.

Farahnaaz, Leila & Farah Diba's curse will be lifted and backfired to the people who have bombarded them to us. They will be manifested 1000 times more in their lives. +

The Kalis doing saibhau, disrupting cosmic balance and lifting my protection will be sparked at 1000 rate & power immediately. +

The vahana is an extension of the deity itself. If it works well & helps the deity then

there is chance that the vahana will ascend to that post. My brother Garudji is the vahana of Adinakaran - Vishnuji. (Primary)

He is in sleeping position. Getting up & flying on vahana, that position of Garuda - Eagle is more powerful

than sitting on Garuda, that Garuda has ascended to Lord Prithu's position. My brother of Vishnu since Adinakaran will not ascend to any position now.

⑨ Later on he will ascend to Tapaloka, direct. He is my soulmate. Lord Padmanabha Swamy of Travancore Royal family is the Chief Vishnu of the Vishnuloka. He is a powerful yogi. My grand father. Rana Sangh's father.

Entangled energy with me for 3 lives. Bundelkhand Raja's Father & Nepal Rana's uncle. He will ascend to Tapaloka when he feels fit. He too is a pious yogi.

Lord Adi Narayan is a powerful yogi too. Lord Padmanabhaswamy is my soulmate also. They are my closest soulmates.

Soulmates can be closest but more than one in number. Like Twin sisters or triplets. Since souls are divided by yogic powers. Not like cutting butter or meat.

Love you lots Vladimir vaiya Parashuram.

My Brother of 2 lives - Your 'Phulkihari'.

Love you Veeing - Ting Ting, Love you lots.

Ramana Maharshi has said that people who are born to realise their self like Soleimani, Baga and Barun/Sanju will achieve it for sure. Whatever be the circumstances the Supreme self will always support them & help them to realise their true identity & real self. +

There is a yogi who was Madhumoy Dasa & from Nababnip and now a Warrior Goddess of South India is protected & healed.

All curses, has been lifted & removed. Curses are deleted. He is now Kannaki

Amman. Goddess of chastity & Shakti.

⑩ Kalis are very angry due to the manifesta-

Madhumoy Dasa & Radharani Dasi are twin flames.  
Their twin flame journey will start in next life.

They will ascend to Balder (Lord Balaram &  
Rohini devi) next ascension, will be that.  
Radharani Dasi is Yajna. The fire ritual  
for deities. The embodiment of the Hindu  
Sacrifice ritual.

The next ascension will be Dasi Bhima chandi  
for Radharani Dasi & Madhumoy Dasa  
will be Bhim Shanker Dev.

Then they wants to ascend to Janaloka

USA will face huge catastrophe now which

4.5 crores people might lose their lives

They are angry due to Nirjhar & Pannu case.  
Blaming India for USA catastrophe.

When I was dating Zaggi for the first time in past life and I fought with Soleimani before that and my father refused to give my hand to him & when he saw me with Zaggi he was so frustrated that he went to his soldier's club and broke all glass crockeries at that time in anger while his mates asked him why he is doing that and he said that, I am going with someone else and the mate said that my father will not allow him to wed me then he said that just because he is a king could he take my teddy bear (toy) from me?? He had severe cuts on his hands though.

Then he used to scold me while sleeping that I had promised him I will not disturb him while sleeping but here I am now disturbing him with a stick. So I am not good at keeping promises. Then he screamed at me at the peak (top) of his voice - I will slap you on your face. I will slap you on both your cheeks.

Sadhyas healing me will be ascended to higher posts. The Zionist regime is very brutal. They take their dog Lucy to the best vet in the country Switzerland for treatment. Bill Gates will also not do that. They will do that in private jet.

Next day they will shoot same doggie for no reason because Satan is hungry and wants food. They used Bill Gates as a Mohra. But Mr. Gates & Mrs. Gates Respects talented people a lot. He used to work in a Jews firm for pocket money. From there it all started.

He has jews ancestry. Used to sympathized with holocaust. Then they grabbed his neck & started all this through him.

(12) The beauty queen contest is like after the contest they take to the dinner and there are rich & famous predators who will have dinner with you and then put drugs with your food & then molest you and you will go there as Miss Universe but come out as Mrs. Universe and it is happening for a long time. This is a Chakravuyh. Going in but no coming out, Some Bhatia said to me.

Some Shetty said that common people has the essence of God and they live on that belief. But Zions & satan is trying to delete it. They are trying to delete the essence of arts, dignity & even business which is their profession. So they are into female hygiene products business.

When people are cursed then god sends angels or gods in their lives to rescue them. So plan should be heal with them instead of black magicking them or trying to destroy them. Co-operating with them.

Like Darbhanga Royal family was cursed. So god had sent Zaggi or me or my daughter or Rekha ddy, Poonam/Rahul all evolved souls there to help them. Pravin Mahajan was also there. But they tried to destroy us. Which is a no no.

The Zionist regime is shooting Lewd videos about me & other dignitaries & showing all these to corporate meetings, parliaments, cricket clubs, cinemas etc. But the thing is they are saying that I am a new witch who is emerging to destroy

(13) Humanity. Beware of my aura.  
But our spiritual advice is - Be Quiet.  
Stay calm. That is Godhood.  
Universe will take care of the rest.  
All will happen in auto pilot.  
'It just happens'.

Their motive is to entangle with my fierce energy and save their soul taking indirect blessings.

If I file a case I will give indirect blessing.  
Like a bad student beaten by head master.

The head master knows him then one day asks about him and pats him on his back. Likewise.  
Repeatedly calling me Looney.

Normal people calling me insane makes sense.  
Psychopaths calling me Looney does not make any sense. Evil people destroyed Rajesh Khanna totally. He was a true artist.

He was real good person.

Stopped going out from home due to all these.

Amitabh Bachchan became tantrik that's why. He was a very good tantrist.

Lord Padmanabha will give me a black magic protect - ive 'BORMO' - ~~anti-missile system~~ anti-missile system which will protect me. This is a protection shield. Powerful Yogic protection shield & it will protect me from all dark forces.

• Twinflames & Soulmates difference is soulmates are different souls but close ones. But twin flames are you only in another body. So energy & emotions up-down is heavy. Like family members of same religion but others are alien. Twinflame - Family members.

(14) Soulmates - Same Religion.

Like wise.

Tantra can't do all. All is only possible by Gods. Satan can only harm a limited as I said before. Specific DNA.

Spiritual DNAs. Also they can only instigate situations where people can already visit or are prone to. They cannot create a Shaligram Shila for Lord Vishnu with diamond producing, incentive giving, incentive picking bugs inside them. I am elaborating later.

All asuras are not evil. Actually they are anti god. Not Pisach or Rakshas. People call all demons Asuras.

They are mild negative beings.

As now people put all evil deeds on Dawood Ibrahim, likewise.

The 6 Kahis will be sparked at 1000 degrees /degrees for disobeying god.

Shantamu's ancestors those who are anti Maharshi will fall on Supreme Being's wrath. They will be sparked at the rate of 1000. Innocents will be saved & healed. If they were decent then Shan would have received Moksha in this birth only by the grace of Maharshi. Maharshi would have done act to leap his births (future) to give him salvation. That is the magic of great gurus like Ramana Maharshi.

(15) When gods give healing they use their vahana as medium cause the devotees may not have enough purity to absorb the divine rays so the vahana acts like shock absorbers between them and they are less pure than the deity so can easily use their energies to heal the mass.

The fallen population gets angels & gods as their guardians in certain lifetimes but if they are bad tempered and abusive they might fall from grace completely & destroyed totally.

Continuously planets are created & destroyed. If Dharma is not maintained gods destroy planets & create new ones & place the innocent souls there to maintain harmony & cosmic balance.

Tantra can create havoc but that too when situation & Karma permits.

They can create thunderstorm, volcano eruptions, mass holocaust etc. but not an avatar shaligram shila which people worship.

They are destructive. They are destroying Gaza & Lebanon. But you need God's protection to get rid of them. At the same time they cannot destroy Kailash or Mahakaleshwar, likewise. They do have a limit.

⑩ Prince Ali Reza Pahlavi will ascend from planet Mercury to Rudralok as Rudravata Pinpala. †  
When gods or Rishis create someone they are in touch with that being for whole lifespan until † unless they are absorbed into supreme consciousness or the God itself

Rakshas Loka is releasing a being † he is a fallen angel who will ascend to Vishnuloka as Lord Vishnu's Shankha 'Panchajanya' — conch shell.

It is one of his 4 primary energies. It symbolises 5 elements † produces 'OM' when blown.

Krishna blew this shankha to end the Kurukshetra War.

He was an angel from Indralok before.

Now he will reside with Lord Vishnu aka Pundarikashan in Thiruvellari temple which is a noted Vaishnav temple. (Pundarikaksa)

There are many Indras. He is the god of Storm, rain, rivers, thunder, other meteorological forces and all has separate Indras.

He resides in heaven, above earth † (Bhu

† Antariksha (Bhuvarelok) (Shu lok)

He is the deity of cycle of seasons. In Yajna, ~~Yajna~~ Ahuti † Soma Ahuti is given to

him. He is god of war. So all are separate Indras. Previously this fallen angel was in Indralok as Mahas (Mind) deva. The God of Thought. The Yogi sitting there.

(17) Moon controls our mind but Manas  
deva is the deity of thought / mind.  
Now he will be Lord Pundarikaksa's  
Couch Shell, Panchajanya.

The celebrations like Diwali, Laxmi Pujan,  
X-mas, Id-ul-Fitr all has yogis  
sitting there. They only drives the energy  
through yogic powers so that the festivals  
takes place at right time, right situation.  
The Lithi-makshatra all then aligns &  
we can celebrate as we wish.

Rishi Aurobindo will attain salvation in his  
next life. Soldiers are patriots. But when  
giving self realisation it is seen as detrimental  
to godhood as the seeker should have been  
surrendered to the Supreme Self or Krishna  
and follow his instructions. Like Lord Shiva has  
killed Daksha for justice but for this he had  
to do penance to correct his ego. This is all  
because he did 'Brahma hatya'.

Needless to say killing small life forms are OK.  
Like fish, birds or ants. But higher ones are  
a no no. Taking one birth here in earth and one  
in Yaksha loka are not same. Those are fine  
lokas. So life there is balanced, hence slow.  
So it can be equal to taking birth here in  
earth plane 3/4 times.

When gods or Rishis create souls their control  
over that soul remains intact. They can change  
the course of direction of that soul. It is  
more easier for them to control their ego than  
souls not created by them. This info is given  
to me by Rishi Aurobindo.

⑮ When people entangle energies with self realised sages then the most benefits the ones who gets are the ones who entangles 'guhya' energies with them.

Like body fluids.

Mother, husband or children.

Baul partners can also get benefits but it has to be a legitimate relationship. Holy one. Not rape case or one night stand kind of stuff. So they can ascend very fast and even achieve moksha in that incarnation if they behave in a proper & dharmic way. Rishi Anurobindo said this.

Karmics can be closer to soulmates. Like if they are energetically closer to you.

Like two buses standing side by side.

People looking at each other through windows and exchanging food & cold drinks. Seeing when they are getting up and when they are getting down. They are karmics who are close.

But people sitting in the same bus are invisible who are sitting far away in the backside. They are soulmates who are distant. Though part of the same soul. People ascending to Godhood:

Rekha Roy - Aditi devi

Chhordi - Khama / Kshama devi

Marjorie - Asikni Goddess

Marjorie's Yaksha - Daksha Raja

Nitin ji - Shardul hara murty of Lord Shiva.

Partha da - Pulaha Rishi

Rinto - Ashlesha Star.

Futfuti - Anasuya, Daksa Kanya

Previously Vidhyadhari.

The souls when gets realised or sparked or  
clubbed with grand Satan leaves an energy  
signature there where they were previously.  
Gods don't ask if it is true or not if  
any angels or gods presents any plans.

If it fails then they asks the people &  
stops from repeating. Neither they see  
what all are doing. They can if they wish  
by yogic powers. Gods are not spys.

Adi narayan is the second most powerful  
yogi in Vishnu loka now.

The garuda, my brother is his vahana.  
The yogic power can be seen through their  
astral bodies. No one can hide it.  
Not all sages have same purpose.

Some queits mind. - Ramana Maharshi

Some invoke logic - Vivekananda

Some teaches yoga - Yogananda Paramhansa

Some teaches Kali is not ferocious she is your  
mother - Ramkrishna Paramhansa.

Some gives justice - Iman Husyn -

It is very hard to pacify fierce energies.

Hard to give liberation to Rudras or Guha  
Nama Sivayah even by Supreme Soul.

Vaishnavs are easy to pacify.

So Guha Nama Sivayah the most fierce  
soul of this kalpa is hard to be

pacified. Credit goes to Ramana Maharshi.

My brother Garuda said this to me.

Soleimani said that - Rudras are hard to  
get moksha means ebernal bliss.

Their yoga nidra & Vishnu's Yoga nidra  
are completely different entity.

(21) Rudras are in destructive modes while in yoga nidra also. They are ferocious. Their purpose is to protect the cosmos from demonic forces. They are the watchdogs. It is a great achievement to liberate 1000 vaishnav gods or Shiva or Kalis-gods or others but far more greater to liberate when a spiritual liberal is a Rudra. 'Party-Sarty' goes on in heaven. It is a great achievement since they have a fierce, angry ego (duality) which is hard to tame than vaishnavs or others.  
(Rahul said this to me) — Harikarpuram.

Tetragrammaton sends signals when there are imbalance in the cosmos to liberated sages like a refrigerator sends signals when doors are opened for long due to temperature difference. He does not have a mind so he is out of illusion but he observes all & gets irritated if we fail to follow dharma or misbehave with other fellow beings. Because he is the master consciousness from where we are charged. Not only some electric force or electro magnetic force.

(Garuda).

Zionists trying to destroy all western countries within coming 50 years totally. †

They are very angry.

Rudravatār Bhava is a yogic position like Shiva. Since Guha Namasivayah was very fierce so he is the most fierce Rudra of this kalpa. Else he would have been a yogi & Sadyaiah & healer. Next fierce is Rudravatār Ritudraj & then Rudravatār Pingala (Asim Munir - Pakistan) as of now in Rudralok.

Spiritual journey needs a proper guru.

It is better to listen to the guru & bow down to him without any reservation. Not listening to him or his great gurus can create havoc in your life.

Needless to say he must be an honest guru and full of wisdom.
