Mossad has a nitch. Christian ~~papapa~~ ma born in Filistin and papa a jews. She is a female version of Dajjal. The islamic Satan. Written in Quran. Who will destroy the Sarvata namok Society. Her vital organ is Lungs, heart, plura, peritoneum and thymus gland. Destroy her before she destroys everything. The devoted housewife of Dr. Chanchal Majumder used to invoke Rakshashi. She used to attach it with all she felt her enemy. Flesh eating Rakshashi. They eat flesh internally and weird disease occurs. This wife will have lives among Red Indians 20+ lives. Her papa will chop her breasts and butts and roast it and serve it to guests. Very Raw wife. Paikpara nibashi. B.A pass. Had a Raksa Kali temple at home from where they used to send enticies. Booke 'Raksa' of all. Dr. Chanchal will have very chanchal lives. 10 jantus lives. Full of hosh and aware as human. Will understand maths also. But he will eat like animals. Dingo, Kakatuya, Pig, Hyena, Camel, Cat, Cobra, Moal Snake, Chandrabora Snake, Black Panther. Might have a hen's life also. His 'Baans' made my Baba alzheimers. Could not even calculate $2+2$. Could not even say who he was. Looked at emptiness all day long. Such cruel was this person. Baba will have 3 bodies. One Vishnu pujari and teacher. Will receive highest port. award. Will do social work. Second body will take birth in Syrian Royal

② family. Crown Prince. Healer and Scholar. Mathematical Genius. Field's medal winner.

Third incarnation or body will be a ground breaking physicist's body who will change Physics. He will prove that all multiverse or parallel universe comes from a single source. Traditionally we call it 'God' Source of all energy and life forms. He will prove it mathematically. It will change the foundation of the subject and there will be an award given in his name which will be more prestigious than Nobel prize.

Spiritual Reason of people becoming mad is, the Karma is manipulating badly someone. Mind gets corrupted and then he/she becomes mad in any of his incarnations.

Kirti Saxon sends pussy pictures to Salman Khan. Muslim hater. Publicly supports hindus. Kala jaduing me. Feels 'Narasimha dev' is a fable. Loves Godi media.

Boris Johnson's ancestor linked to Gandhi killing. Nathuram Godse provoked by a Jews spy. Boris is a Jew. CIA spy. Two of his wives are gay. 1 killed by him.

Saitan trying to hack even idols of thakur, Sri Sri Maa and Swamiji in Belur Math.

③ Zionist Maharajs trying to install Pisachs into the idols of Belur Maths Thakur, Sri Maa & Swamiji. They are doing magic to Saints & Sages sitting in Jaldau Krishnamurti, Rajnish ashram as well as Iskcon and Belur Math etc. Not all branches but most of them are badly hacked. That is the reason Paramhansa Ramkrishna said Bhakti is a easy path to God Realisation in Kaliyug. Cause it is not the case that Sadhana is not needed but it means that Surrender is very hard. If you manage to surrender to God instead of Dark force it is enough for a soul to get into the spiritual train and go towards the Moksha journey thereafter.

Doing 'Dark magic' to all.

When Supreme Godhead will 'MAGIC' them once, their world will shatter into pieces.

Gay - Lesbian a Satanic product. Abnormal. Satan introduces entities into the chakras of people without their knowledge which in turn changes their mind. They do it to make people pedos & addicts.

Then western people make them laws.

Gay wedding and all. Satan's next plan is to make 'paedophilia' legal.

In our culture people used to marry kids. In olden days. That to protect them from lechers. Then when they grown up they attended their husbands.

④ They were not pedos.
But raping kids and making it
legal is objectionable.

The Mossad bitch will be Stripped Nude
in public. Pubic hair cut.

People say, Jews menstruate black

⑤ Which is good. This bomb is given by Satan - Openheimer was a satanic church product too. Real Scholars used to hate him.

One entity surrendered to Almighty God. He will be protected and his all wish be fulfilled.

Danav, Daitya, Asur is ok. Lower beings than that can harm human souls. Since their energy pattern is very fierce compared to ours. So working with them is not permitted organically.

Like keeping a cat or dog is ok but not a cheetah. Likewise. Avoid them. They will destroy you.

Politicians are like onions. If you keep on peeling you will reach a nothingness level. So many layers but no real face.

India, Sri Lanka, Bangladesh, Pakistan, Nepal, Bhutan, Iraq, Syria, Iran, Russia, China, N. Korea, France and all Suvo Buddhi सम्पूर्ण countries will be protected by the Messiahs & The Supreme Lord. They will survive the catastrophe & Storm.

Mecca - Madina captures women & keeps them as sex slaves as they breed terrorist there in the name of Jihad. These lovely ladies are Fed by clerics.

Cause Allah has no dick.

Hindus also had same pratha called devdasi. Still it has in some places.

⑥ Harem in the name of God Allah.

Sunil Gavaskar destroyed his own son's career. He was better than his father. Cricketers want Sunil's death he is such a moron. He has sexual relations with his daughter in law. Rohan's wife. Marshanail - his wife tried to get rid of this woman but she is attached to the surname 'Gavaskar'.

Fucks her papa in law saying - having sex with one of the great batsman of India.

On top of Sunil's dick. Papa Maora. Agarwal basic community. Never passed exams. Calling me Kali, Buddhi, Bhikkhari aurat. Very frustrated why Solaimani is not wedding her. Donated for passing exam. But he will come with an Iskander missile or Fatteh missile not a cricket bat and insert it inside her ass! Will take birth in high society for 40 lives. Will fuck with street dogs publicly in Bhadra mash. They will be cursed by both sides ancestors after her wedding. This will take place after her 'Bihai' Repeatedly. Gavaskar takes triphatachurna for long life. Kills people.

Raghuram is my love of incarnations cause it is he who is my soulmate.

Solaimani is my same soul only. But in reality I met Raghu only once. Did not marry him. Solaimani and I met thrice. We had a child together.

(7)

He never got married for me.
This life we will do Sansara with 2
Kids. By the way Raghu got ~~glam~~
married in that life though by the
pressure of his parents. Still.

Soleimani is more committed to me.
He is the love of my life.

Rekha Mahajan said people calling me a
'Kali aurat' but I was like Sandalwood
in last life. People called me Chandani Rani.
in Darbhanga Palace. Skin was shiny &
Spotless. Didi was Gulabo Rajkanya.
Pinkish in color.

This Gavaskari's daughter in law threatening
spy organisations why they are troubling
Criminals like them. They are rich
and famous. She is a bitch. Witch.
Social butterfly. No brain. Never
passed school exams. Marwari papa
donated money to pass her.
Smokes a lot.

Fida on Qassem. But he will not
wed her. So concluded that he is a
terrorist. So am I. So we both are great
jodis. So a noted Business man said
that — When they know we are terror
guys why they are bad mouthing
us? Cause they should have known
by now what terrorists can do
to people like them. May be
Gavaskari's Swarna Lanka will be blown
up !!!

⑧ Gavaskar is into many money
laundering scams. Sharjah Sheikh's
women sex racket trade.
AK-47 Lathiyas scam from
Govt. Ordinance factory.
There is a group of cricketers.
Javagal Srinath is one of them.

There are many more but end of
the day the pakde jawa one
is "Sanjay Dutt"

Ileana D'Cruz body double acts in
her place. She shares her face.
Puts money. Same name. It is
common. Directors take money.
Others look for them.

Sometimes faces are morphed
through computer graphics - CGI
Technology.

She can't act. Zion product.
Middle class. Trapped her.

Wants to surrender. Talked to a
padre. Told her to surrender to
Jesus. Did dealings in nuke case
cause they blackmailed her to
destroy her whole family. They
are very brutal.

Mossad with is not a lady or Kinnar,
man. She is a shadow of Satan.

Vice Satan. Very crude, aggressive
and manipulative. Qatar Emir has
met her. For peace deal. He said to
me that she can make the whole planet

⑨ into pieces but not a single bit of peace for Gaza from her is possible.

CIA Bill Burns has throat cancer.

Very aggressive. Has reached his anus.

Doctors will call it stage 6 cancer.

There is a stage 5 cancer in medical science though. Probably it is an ^{childhood} ~~garm~~ cancer. Very few people have it.

⊗ This Cancer has invaded his trachea also. Had oral sex. Which is the reason for all these. Will die within 2 to 2½ months. Attacked my throat with throat cancers. Choked my voice box. It is

'Vak debi' who has kept me alive. I am struggling with my voice.

Thanks 'Vak debi'.

The red Indian witch there is enslaved and beaten if fails. Vakdebis She is protecting me else I would have lost my voice completely. Since I am

Baksiddha they are doing this. Stage 5 is Wilms Tumour, Nephroblastoma, cancer.

One noted businessman once saw Bill Burns, CIA Chief and said to me he is very destructive. Creates 'vedrab' and destroys people. Red Indian witch caught from wild & kept in prison to work for CIA to destroy countries.

Bill Burns will have very painful death. No funeral. Each and every cell in his body will burn and pay no bill.

After death he will get stucked into the middle of Tokas and bad tantriks will trap his soul like betal & use him like slave.

10) During the time of soul creation a shadow is created.

The shadow is just the opposite of the soul. One positive, the other negative. Bill Burns shadow is Yahya Sinwar. Actually it is other way round.

Yahya Sinwar is a powerful god. He is my soulmate.

Bill Burns is his shadow and a demonic entity. Totally disgusting.

Shadow behaves like a Karmic. Opposite real soul.

Sinwar is Murgan I hope. Bill is evil.

God's shadow soul is satan. Not always it is negative but it does have negative powers of the real one.

Soleimani is Iran's Shah's son. Not a terrorist. He is a very affluent Sheikh. One of the most rich Mid-eastern royals till now. Can buy Amazon ten times. Can buy middle east also atleast half of it. Not registered in Wall street etc. Modern Iran has shaped through their money through several investments. Not Khomeini's money.

Till now they are the BOSS there. IRGC operations also had 75% investments from him. So he is not evil. He is the founder of a ~~Bank~~

(18)

Sovereign Country.

They can buy even arch enemy Israel.
Israel is so tiny.

We give 'chanda' to Israel para
during 'Durga puja'.

Shah is still alive. He is Mufti Menk.
He is very very popular. Even than
Khomeini. Cause he does not preaches
but he ~~teach~~ teaches. He is a charismatic
religious leader. His gatherings are
like music concerts all over the world.

Liberal Party will win ACT elections.

Persian Gulf news & Fars news agency is
trying to tarnish my image now as a
Pornstar and Kaffer. Their Crown prince
is going to marry so. Muhandis is behind
this. Zionist Regime.

Calling me Bankrupt, Living in Australia
Trapped Iran's crown Prince. Husband insane
so wants to elope with crown Prince.
Khomeini's people & Muhandis behind all
these. Muhandis wife & daughter
offers sex to unknown people.
Shoots sex videos and sells among
soldiers.

Shantanu's niece - twin flame Mansi is
the horse of Lord Surya → Anustuph.

One person Sunder said God should fulfill our
desires quickly. Then people will not visit Satan.
He is like instant coffee. God is like filter
coffee. Now all wants quick fix stuff.

12 The Zions over pays. 6 millions if asked
they give 16 millions. Sweet talks.

- Have you taken your cough syrup?
- How is your papa?
- How is Betty - your catie?

So people fall in love in them.

Then they attach entities. Controls
people without even their knowledge.
And totally destroys them.

If revolution done then shot at head
at point blank range.

People say Rothschild family all were
Psychopaths. Clinically ill.
Taking Psychosomatic medicines.

They used to control half of the
regime. Boris Johnson looks like

~~ballooned~~ ballooned Benjamin
Netanyahu was also a Black Rock
product. Hates Narayan Murthy.
Says that - he had sent a

Eurocrat Rishi Sunak over here in
UK and me in Australia. Since I am
his past life daughter.

Calls me - 'Gayregi'

(13) Penny Wong is a Chinese who has manipulated her bio data. She is a convict family product. Ancestors labourers from mines in Australia. Not Gay. Lompot. Bangladeshi high commission guys call her — 'Khanki Maggi' (Maggie).
Some asks — Which one?
Chicken, masala or spicy onion Maggie.

Does every shit. Shares intel with China.

Amadeo Penny're hobe Biye
Topore mathay die.

Palki chone chole elo futfute
Anyo ekta meye !!

Trying to eliminate me through covert operation. Went to Amit Shah to sign a legal document since I am Indian citizen natural. Not now. Previously Anthony Albanese went to Modi but Modi did not sign that.
Now Modi ji & Albanese both are dead.

Sadhguru wanted to sign it though to kill me. But they heeded a cabinet minister. Sadhguru was a narcissist. He wanted to destroy me. Like he wanted to destroy India so provoked Israel there. Cause his philosophy was he had capability to be PM. But he did not make it. He was shrewd though and good leader. But his mindset was different. So he used to destroy what he did not get.

(14) It was in his part a bit of immaturity I feel.

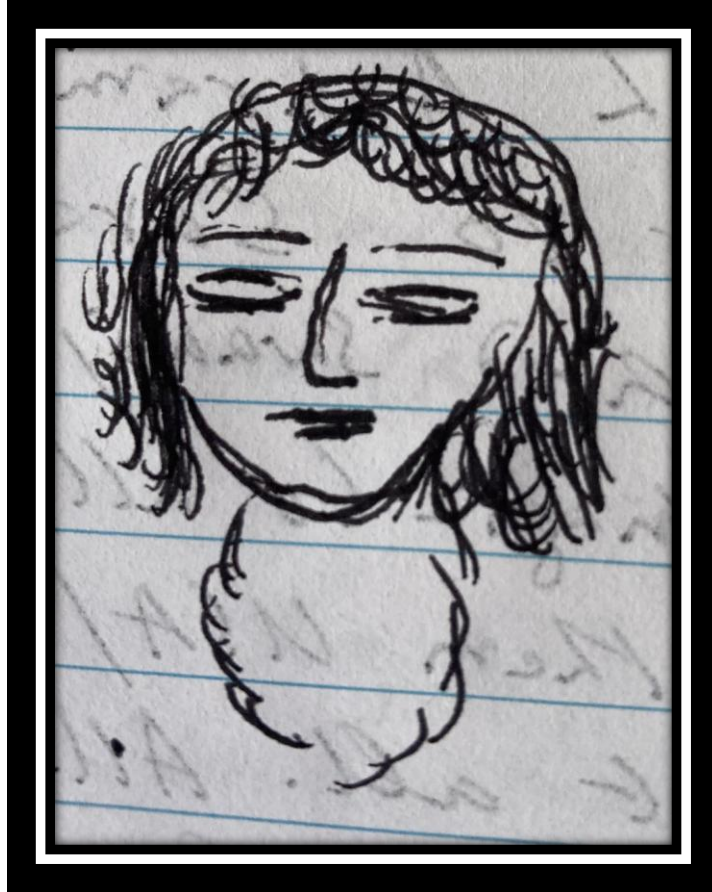

Nowadays the most crooked person is chosen as foreign minister for most of the countries to counter Israel & USA. The world is so despicable.

If judgement day is final in Islam then psychics & mediums should get respect instead of being called worshippers of Satan. They do aqshana of ancestors and spirit guides. Some of Jesus also. So there should be a word called Christian medium.

The judgement day is not end of the spirit world. The soul's journey continues until it reaches supreme state of consciousness called Fana in Sufism. Some definitely gets diverted and lose their potency but most of us merge into Allah and that is the goal of all religion. Sufism teaches the core

values & teachings of Pure Islam. It will continue to exist till the end of time since Islam is a religion of peace and a beautiful religion.

Attacking demons through products, hotel rooms, deities, temples then controlling and ruining lives. Unseen World.

This is the witch sitting in Mossad head quarters, under ground cave, as I said before...Olive eyes, smoking cigars, gold Varna, curly hair etc.etc...

USA and Israel spy agencies trying to destroy

Om Nama Sivayah mantra through dark tantra to

Nuke India since Indian sadhus are trying to protect

India by chanting this Mahamantra ... very funny indeed.

(15) Parallel society like Godfather movie. Italian mafia.

He was sane. They are insane.

Israel has a main temple of Abraham or so. There should be Supreme Lord -

Tetragrammon. (Y-D)

Instead they have installed Pishach there. Sinna & her bastard father has done this. Invisible, troubled soul controlling everything.

They have paid scientists who distort even science. Like Richard Dawkins.

Israel has become a monster.

It really & badly needs a Mahatma Gandhi now.
