Nargis

Nargis is a flower. This flower is poet's flower also. It is compared to the lovely eyes of attractive women in Middle east specially Persia.

Thanks all Kali mata for your work. India will be saved & protected from demons who are trying to destroy even the mantras through their agents.

Zionists, BJP rotten leaders & USA Eantriks.

OM Namah Shivaya

Hari Om Tat Sat

Maha Moityunjay Mantra

Arunachala Siva

Tirupathi

They want to lift the protection of God from US.

Pradip da & family, Chandrabindu & band, Gulu & Balu and their family all will be saved & protected. Their associates will also be saved. Mama Mami chhoto will be saved & protected & healed. They are Yakshas.

There are more than trillion gods now in heaven. It will be re-tracked into only 100000 divine souls. Real divine Gods and Goddesses.

Abu-Al-Muhandis (Iraqi Soldier) and his pornstar wife and daughter will be exposed in Media now largely.

Soleroymann

(2) They will be exposed as traitors, pornstars and lechers in Iraq/Iran/Syria. Muhandis's daughter offered sex to her father's friend Gassim Soleimani. In reply he said to them that he will hit her so hard that her butt will be shattered into pieces with Ak47/56.

In Bollywood the couch casting operates in many ways.

You can either sleep with the directors or film finance guys or you can send a body double with handsome money to them. Even more lovely & hot women are accepted than heroine to get a chance. Not always actors go physically.

Iqbal Masih will start his Sufi Sant journey & revive Sufism.

It holds the core teachings of Islam.

It will be there for centuries & till the end of time. All other Islam sects will slowly merge into it.

Kriti Shanon has sent an escort's pussy image to Khan. She is a decent girl who has been trapped in the industry. Artists are forcefully made prostitutes here.

Varun Dhawan said entities sent to stop my channeling. Even my eyes are covered with demons. Still I can see & write. Others would have become blind by now. I do have blurred vision sometimes and my pens get inkless.

③ Sri M will be saved and protected.

Protection around him.

Tried to install 3 deadly wicked varieties of Covid into my husband's body. Which Maharshi converted into a Pneumonia.

Thanks Rishi & Dhruv.

There are 3 scenarios where the Karma ends forever.

① Nirvana → Merges into Guru's Ananda Kosha.

② Ancestor clubbing → Ego clubbed with ancestors forever so the being loses free will and soul.

③ Satan clubbing → Where ego is clubbed with the dark Satan forever for crooked and evil behaviours.

Let the satans creating havoc here in Earth go towards God and start sadhana.

Let his family find a proper guru.

Let them ascend towards light & Love.

Let all darkness turn into Light, supramental light - Arunachala Siva.

The real saints who are doing sadhana in remote parts of India are very angry that Zions are trying to destroy the mantras of Hindu religions. They are in Nepal also.

These Sadhus are out of the radars of Zionists.

(4) Sunder is a powerful person who does energy work & has seen my aura. He is a healer. He says that—I have seen your astral body. It is like a star.

In his words:

Twinkle, twinkle little star
how I wonder what you are
up above the world so high
Like a diamond in the sky.

There was a pirate who tried to rob a Rishi. He sat silently though.

The dacoit tortured him like hell but still he was peaceful.

Then he sat before him to see how he can stay so calm after all these.

Then his mind also stopped totally and he got the same peace the Rishi had. The Zions are doing the same to all the spiritual guys now.

Pager's attack should be criticized not praised. Everyone will start it then.

Australia / New Zealand is very peaceful and crime rate low country.

If most of the African, South American & Asian countries become like this the earth will be saved.

Those who are working for me will be blessed and saved.

Nukes are very old technology.
Russia has much new technology than
nukes. That is given to them by
gods.

Can destroy cities.
Does not create radio active
nuisance and can set the amount
of destruction it wants to do by AI.
It is a 'Brahmastra'

Nukes were given by demon.
This one by Lord Murugan.
Fingers crossed.

Pradip da went to a Kali priest. He
said to him that you are saying that
Gargi has reached Moksha. Then how can
so many demons attack "her and you all"
for her. They can't even touch gods like
Krishna, Shiva or Laxmi? So it seems
that Ramana

Maharshi must have some major planning
behind this.

Weapon

The new astro given to humankind is by
god so the weapon is powerful and not
destructive as a nuke.

The scientists who made "nuke public",
will suffer serious sins for their
destructive actions.

Isagi Muhandis wife became mad
after doing magic against me &
Soleimanin in last life. She used to

⑥ Squeeze her back passage and take out 'shit' and massage them into her face and Muhand's body and face. He wanted to kill her 10-15 times but could not.

Ramkrishna Dev told me that at this age of Kali Demon or Satan they have robbed many great souls and made them sinners.

— Onck yeah yeah ke namaye diyaokhe.

Didi, Mansi, Shriya, Uttamda all lives will be saved. Protected. Love and Light. Be peace upon them.

Kalchakra is a time machine. 'Somoi a Sobi hoi' is a philosophy.

Common man has to work hard to survive here. 'Do Naft. Ka roti' no one gives for free. So public wants a bichar from or for Mamta dd. They feel she should take danda approach ~~the~~ instead of dandiya.

Mossad kitch kills jews soldiers in unwanted battles to feed them to Demons.

Their family knows that if they cannot come back alive their dolls will come and booties will be eaten by Pisachas.

Abu Mohammad Obeidi and his mom were fan tricks. Came from Iraq. Wants easy money so entered regime. Works for Amway. Papa said no though. Mom Zarina is good energy healer also.

⑦ Spirits Lupa & Bia has surrendered.
They will ascend to heaven now. They will
be Evin angels Sampat Kumar's.
They were powerful pagan deities.

One devoted tantrik scholar Kantilya said
that Tantriks don't have any religions.
Real ones. They are energy worshippers.
(spelling) They don't attach themselves to
Hindu, Islam, Buddhism etc. They don't
fall under any religious dogmatism as
such or evil intentions.

The jews secret service Mossad 'Dain'
witch who feeds soldiers dead bodies
to Demons, traps Israeli generals
and forcefully makes them sniff her
tampon. If they don't they are bound
to die by slit throat.
'Vice' queen. Not virtue.

Powerful Satan - saytan - Saitan-ee.
One Jew says that she & Emma are not
pure jews. Has christian and Arab blood.
But wants to destroy all jewish men,
jewish community.

This is a war of evil & good.
Not Jew, Islam or christian. Evil has
brought the world here where it is now.
Enemy wants to propagate the false
news that Britain put to jews to
Israel for oil from Arabs. This is
false. Israel is Jew's land. They
were there for centuries before
Abraham's great grandson fetched them &

⑧ Took them to a different province
or country — that time.
Israel is their homeland where they
lived peacefully for years with
others. Now the evil forces are
driving them out.

Neha Kakkar will die from Leiomeo
sarcoma. She is manifesting this for
me. She is mediocre & cheap.
Wants to be next Asha Bhonsle.
By hook or by crook.

Feels I am lying about demons
destroying Mantras. She feels that

'Shirji' will manifest if anyone
tries to destroy OM namah Shivayah.

Grand Satan is a dark universe or
black hole where satanic souls
are merged forever like Realised
beings are merged into their guru's
spiritual body — Causal bodies.

This 'grand Satan' is a dark band
in the cosmos. It gets absorbed
during mohapuroy into the

Supreme Bliss & comes out again
and with each passing mohapuroy
slowly gets dissolved into 'Allah'.
Once there, no one can return into
love & light again. You can come
back from hell. But not from here.

Goddess Satyanati is a local god of Magar community of Nepal. Her temple is near Satyanati Tal.

Shantanu's twin flame & niece Mansi will ascend to that position from Sun god's Anustup horse angel.

Bad Tantrics can trap souls whose Karma permits them to be trapped.

Astrology also says that. There are powerful planetary positions which deter demons from attacking a person. So the 'Baans' backfire.

The people who are in mission like us also absorb dark energies like Kalis or yoginis. The world has a natural

DNA and it operates on that principal. It is not easy to do Tantra on all.

"Mat Bhadrakali" said all men don't go to all temples, churches etc. Cause their astral bodies are not ready to absorb divine rays. It would cause havoc if it happens. Her Yakshini journey will be smooth & she will ascend to higher realms soon.

Ma Jatajunta Kali is my soulmate. She was a very powerful Tantrik. People called him → Kalire Pagol Chhele.

Now helping me like Bhadrakali Ma. So Jatajunta Kali Ma will go now to jahaloka straight.

Madhavi's guru & their deity Raksha Kali Maa ~~him~~ is helping them to help Shantanu to achieve his goal here.

CASE. NON ZIONIST. LARONE EX IVUNE

(10) Shantanu's 'Grihadevi' Maa Kali is also helping him.

People call Rumpā :

- Loving Tantra
- Bhaganati
- Prahladi
- Living goddess
- Fine brand Yogini.

Lord Shiva is Bhootnath. The god of demons. He protects them from malefic things and destruction but now they are trying to destroy 'OM Namah Shivayah' mantra which is the mantra of Lord Shiva.

Mama, Prof. Sen calls me Krishna Chaturdashi.

The dark entities has a history. When there were evil among us Lord Shiva separated the dark energies from us and created pishachs, Rakshas etc. you name it. Then Gods & goddesses were there to protect them out of mercy. Like Kali, Shiva, Mahavidya, Yoginis. Still they hate the Light & Gods. Some say the demons were born out of angels like Daksa Raj's Kanya Pisachi → Pisach, other angel's womb → Danu → Danav etc. But the other theory is also true.

⑪ Marcos boss was my uncle in one incarnation and brother-cousin in other. Rajasthan and Nepal life-lives. In Nepal my name was Aishwarya. They used to call me 'Aishu' Narendra Modi the Raha gave me some other name.

Prof. Sen (Amartya) was my mejomama in Raha Sangh life.

I was a kid and did not really understand this mejo-sejo-ranga dynamics so all were 'Chhoto' & Boro mama for me.

He was actually my mejomama but I called him Chhotomama.

Kalis will be active to 'Samhar' Dajjal. a dozen-12 of them.

- Samhar Kali
- Smasan Kali
- Rakta Kali
- Rakta dantika Kali
- Mundamahini Kali
- Tatajuta Kali
- Narasimhi Kali
- Hamsa Kali
- Trayodashi Kali
- Maa Tara devi Kali
- Paapomashigi Kali

The gods are energies. They are not Male or female or baba/Maa of anyone.

(12) They have choked my chakra in
such a way that I can't even drink
water. I survive on coconut water
or cold drinks - tea - coffee.

Water is stinky for me.
They want to dehydrate me & kill
me. Trying to block my peace
and healing from higher realms.
All celebs, leaders, business guys are
doing dark stuff against me.
Manifesting severe things into my
physical body. Million tantriks
and I have only one body - Huh!

Gautam Buddha once sat in a cave and
a man came inside and started
slandering him. Abusing him.
Buddha was silent.

When the abuser asked about the
secret of not being disturbed
he said that - it is you who
are disturbed. Not myself.
You are doing all these to me.
Not I am doing this to you.
So I am peaceful.

Peter Khalil is a Australian Labor
politician. Google him.

Mohammad Bin Khalil is his
real name. Calls himself egyptian

anyone wants to expose him he brings

Helped to bring nukes here through terrorists from middle east.
ISIS, through Sydney.
Kevin Rudd's national security advisor.
Worked in Iraq through terrorists.
Real branded terrorists like Abu-al-Muhandis & local ones.

Rebels and terrorists are not same.
Che Guevara was a rebel.

Subhas Bose Netaji was a rebel.
Shahid Bhagat Singh was a rebel.
But they do Gairulla was false.
But Peter Khalil and Zionists are branded terrorists.

USA and Israel will be declared terrorist countries and all their citizens will be treated like terrorists everywhere. If not officially then unofficially.

Julia Gillard removed this Khalil equation from Australian Parliament to save our country that time.

Shivraj Singh Chauhan is a tantrik.
Chops servants and does shab sadhana.
Gold medalist due to tantric rituals. Trapped Modi ji into Godhra case. Non Zionist. Involved in Nuke

(14) India case. Trying to drag my name into it as a Zionist and the link between them and terrorists. Says, I am a tantric who wrote all these books through tantra mantra. I went to Isha foundation and met Sadhguru there & fell in love with him as he was my past life husband.

He knew about my drug addiction and pornstar things and tantra mantra stuff so he stopped my

Padmashri or Padma Shri.

Then he stopped my awards since I am a saams. Lecher.

So I got angry and now publicly exposing all to show my grievance and these are untrue tales.

I am actually the sinner.

I have tantrikally manifested the nuke scare in India & abroad.

The real Dajjal is here. He is a Spanish. Lives in Spain, Italy. Near Rome. A posh island. Has 2 kids & a wife.

Decent looks. Social worker. Rich & famous. Well known. Occultist.
