Self Realised saints are like Lotus.

They are with stem sitting in
Satya loka. Like the kundalini has burst
through brahmarandhra and become a Lotus
through sahasrara chakra & it is a
Lotus of white, dazzling light.
Like a diamond. Sparkling. The stem
is the other chakras which they have
conquered through sadhana. It is a metaphor
though. All Lotus sitting together. They
speak with each other. Gods & Rishis
call this 'Loka' Padma Loka or Brahma
Kamal or Brahma padma Loka. It is
Brahma loka as we call it. Home of
Brahmajanis. Home of Satya - Satya loka.
Home of Brahma the creator deity is
Brahma's planet. Not Brahma loka.
It is abode of Brahma deva.

In satyaloka the Island of lights the
liberated sages are anchored through the
truth. Brahma-jhana. Metaphorically it is
the stem of the Lotus. Some stay there in
deep peace till Mahapralay. Others, who have
devotees, take birth - absorbing devotee's

⑤

The cursed god's positions are not so sweet posts. Souls don't want to ascend there. Those are challenging positions. Narayan Shiva for example. But if you can stay there & ascend then you will ascend to a much better post than ever. Jeffie's guide, a fallen angel will ascend to the post of 'Shiva lingam' now. The temple is Gokarna Temple. He will sit in 'Atma Linga' there - it is a Shiva Linga. It is called Pranalinga also. Shiva did not notice Maharshi Bhrigu & was absorbed in meditation during a Yajna. The liberated Sages are diamonds. But they have price tags attached to them. Some are more costly some are not. Ramkrishna Dev, Totapuri Baba, Babaji, Jesus Christ, Ramana Maharshi etc. are priceless diamonds. They are Yugavalars. Mahavalars. They can uplift more devotees than normal saints who got realisation through rigorous sadhana cause they do not waste their spiritual energies much into material world after their creation by their ancestors. They dive into sadhana † get salvation. †

⑧ The composer of the spiritual classic
'I am that', SRI NISARGA DATTA MAHARAJ'S
GURU - Sri Siddharameshwar ji was
like a twin brother of Sri Ramana Maharshi
in the astral. They both were created by
Talapuri Baba's twin flame - SRIMATI
Simhabhini Chandi Devi →
"Ramana Maharshi's mother Srimati
Azhagammal devi.")
She got moksha by Ramana Maharshi
during her death.
That's why Maharaj's guru took birth during
Ramana's lifetime. They were contemporary.
Sri Siddharameshwar ji gave self
realisation to more than a dozen of
his disciples through his 'Bhavam
path' of abiding in the Self.
This path leads to Realisation faster than
any other path. Abide in your true nature
of 'I'. Ignore all else as illusion.
The illusory body, mind, society, pleasures,
pain etc. Slowly you will arrive at
your destination & one fine morning
you will see that you have realised
yourself. +
And ultimately the game is over & you are
out of the Matrix and into the "ananda
Kosha" of the Supreme Reality.

Soleimani next to meet me during my death in my
little hut near Raman Ashramam. Maharshi was alive.
My daughter was 17-18 years old. When I died I
told him that my daughter is his child. No one
remain truthful to me except him. I don't know
with what kind of material the soul is made
but his & mine is same stuff. I only asked him
& my daughter to come & see me not my parents
cause I have become a nun (Sadhvi). I used
to stay near Ramanashramam in a small hut.
I had my veena, Tabla (I was a singer) &
some stuff. I did Sadhana daily. Chant
mantras. Did Gura Sanga. Arunachala
Pradakshina etc. Hear Sermons. My father
used to love me a lot. I was the Rajmata.
My son would have been the Rajah afterwards.
So he wanted to see me in my death bed.

(26) But I forbade him from meeting me so he was very sad. Soleimani went to meet Maharshi with my daughter afterwards. Then my daughter introduced him to Maharshi - saying he is my father Bhagaban.

Bhagaban looked at him once. He was silent. Soleimani's body was just shaken like a 440 volt electric current has passed through it. He was awestruck & silent for a while. But he felt good & excited inside. There was an inner peace in his heart pervading all his being. Later he came to know from other religious friends that it is called 'Mouna dixa'. Initiation in Silence. Now this mystic clerics are trying to spread rumours that it is Soleimani's bead chanting that too the mantra he got from a Nomadic Sufi Persian cleric which has brought me to this spiritual state of consciousness. It is his spiritual merit which has given me freedom from cycle of birth & Karma. I am very angry & frustrated. These 1500-2000 years religious clerics are disgusting. Hindu dharma is the oldest & it is a way of living. It is not a religion either. Disrespecting women is a trait of these bastards. 23% of gods & goddesses in upper heaven & Mohorlokas are Shah's soulmate. My patidev's. Sof. are mine. Total 73%.

This will help him to achieve nirvana. Don't irritate me, I am not Jungle Billi. I am a Baghini. More you will irritate more you

will lose peace.
