Ratna Garbha

Peace is the basic right of all human beings.

Proof. Satyen Bose was a genius. He is the Riski Vedavyash. The yogi sitting there. Satanic energy trying to mislead people & destroy yogis and Sadhus. Temple, mosques and churches.

104 Liberated Sages now in the earth plane. Their energy body is pure silver like white. No colors. Color is ego. They know each other. They have a Billionaires club like 'Liberated Sages club.' They are all registered there cosmically.

Raghuram Rajan's Twinflame is actress Debashree Ray. Their Twin journey will start in next life.

Zions attacking Maharshi (Ramana). Trying to assassinate his character. Questioning his Self Realisation. They think Realisation needs a Guru which he never had. Empty vessel sounds much. Truth is the author of 'I am that' the Marathi Saint Nisargadatta Maharaj bowed down to Maharshi's grandson's feet saying - I have never met him. He was such a great saint. But you are his own blood. So I am doing a 'poojam' to you. He touched his feet actually.

Maharaj himself was a Self Realised Saint and their Tradition has many liberated sages there. His guru was very powerful too and Maharshi's contemporary.

(2)

Jeff Bezos's Satanic Temple has a daitya.
They do not attack under the belt.

They are power seeking beings.
They told him that I was once his
beloved cousin sister and he treated me
like his own sister. But now he will
have to destroy me else I will
create havoc in his life.

Attacking Yogis & Jivanmuktas is
hitting electric poles which leaks
electricity. When 440 volts will

Strike back they will under stand.
Will get totally destroyed.

Modiji was a great soldier in his
Nepal life when he was my husband.
My both sons Varun Dhawan and Baga
were soldiers too. Pahadis are
good warriors. Varun was good.
Baga was great.

Neha Dhupia, Rohit Shetty, Ahuraag
Kashyap, Deepika Padukone, Ranveer
Singh, Akshara Haasan, Sikandar Kher,
Kriti Kharbanda, Zionists.

Akshara Haasan, Sikandar Kher &
Kriti Kharbanda is involved in 'Muke
India' project.

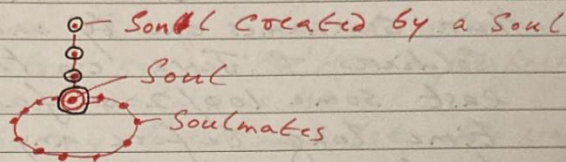

Akshara Haasan is doing dark magic
against South Indian film
industry. Daughter of Kamal Haasan.

Soulmates are like latitudes.

One by one sits there. But souls created by gods are like longitude. One top of the other. This kind of pattern.

Santanu will be saved from all evil plans of Zionist Regimes.

Politicians classify people with religion. Not doctors, writers, scientists, poets etc. When an engineer designs a bridge he never sees who is crossing it. Even the statesman. They just see the human flesh and blood.

God can be perceived through emotions. Not brain. Heart. God is heart. It can be felt. Physical heart is left side. Spiritual one is on the right side.

One noted USA politician said that when asked about 3rd world war that whether it will take place or not he simply answered that - I don't know about '3rd world war' but I am sure that someday these Jews guys will destroy America completely. He is a democrat.

(4) Jews talk about holocaust & Hamas
7th October. The western media
glorify them. But no one talks

about the innocent Muslims who
are atheist and are killed for
their surnames one by one by USA
soldiers & Jews in the Middle
East some 100/200 families at a
time long before any Hamas or
Hezbollah or Soleimani or
Mughniyah days. Then there was
no such things.

"They see Muslims as terrorists -
arabs, in their own land"

One prominent middle eastern
queen has said to me.

Dr. Chanchal Majumder & Einstein was
Cursed Vidyadhars.

Dr. Majumder was my father's class fellow.
They were both in Presidency College.

Gold medalist. Actually people call
him prodigy but my father was more
brilliant than him. He was from a
Tantric family. His ancestors were associated
with Manohar Dakat. Not dacoits but
his projas and associates. He copied his
theory from a Greek Physicist and put
his name on it. He totally destroyed my
father and mother and my family specifically
'me' since I am a lightworker.

(5) He threw my father out of Saha Institute which destroyed my baba's career. Then he started destroying my mother's and my uncle's career. Three of us, our siblings career totally. Sending exiles.

He was a womaniser. Had a wife at home and other 'Firang' friends abroad. Used to have astral sex with 'Karna pishachini'. My baba was 2nd and he was 1st.

In post M.Sc my Baba was 1st. He was in the USA.

Never understood 'physics' like my baba. Born with a silver spoon. My baba was a migrant from Bangladesh. People used to cajole him. My baba struggled a lot.

Started doing tantra to stop my baba. His daughter is 3rd in school final from Lakelown girls high school. Will be nuked. Will die a horrible death. Dr. Majumder will take birth as limbless, legless guy no eyes for 50 births. Beg in front of Durgasthan. Will be retard.

Poor family chap. They will start his evolution journey again from a cat. He has said to me that he was in the illusion so he acted in a selfish way.

My baba has forgiven him. My baba always respected him. Baba was an atheist. He pretended to be one but was a Dark priest. The Pishachas told him to kill all of us with 'Baan' which Prof.

Majumder never did. He says that it is that I am a jyotiremoyee so all this has

⑥ happened. Else things would have been different. He said to me that he is ashamed of what he did to me cause his daughter and I both are of same age and regrets his actions. He knew that one day I would have become a great yogini. Majumder was a ST/SC.

Bangladeshi leader Mohammad Yunus called me 'magi' and 'meyechhela' to other leaders. He is saying it is zions who are forcing this. He was from a dalit family of toilet sweepers. They used to carry 'Poo' over their heads in those days in India. They converted to Islam. Had a huge monetary scam. Sheikh Hassina investigated properly & put him in his place so zions victimised Hassina & made her 'Hassina Parker'. 'Chore machaye Shor'.

Asuras are not always evil. They are anti gods. A-sura. असुर-
Sur means Gods.

So all worshippers of asuras are not evil like zions. They are power seeking beings and sometimes even maintain dharma unlike demons.

Israel is a militia group of USA.

RSS leader Nitin Gadkarji's Guru & mentor is old. He is the deity of Dhak, Rajmachi

Bhairavnath Temple. Worshipped as Lord Shiva form there. It is near Lonavala. He is my Soulmate. He will now take the shit out of rotten RSS. Nitinji was Shran.

(7) Shivan is Bhairav's vakana. Nitinji was guru's vakana.

Muhandis (Iraq) feels that Soleimani is nothing compared to him as he is a cerebral guy. Engineer.

The other one is a soldier.

Soldiers fight with the weapons designed by 'Smart Abu Muhandis' only.

He used and abused Soleimani and went up the hill.

God has saved me with heavy rain fall when Ileana D'Cruz manifested a fire incident for me to burn me alive in a apartment shed near a hood in Sydney. She and her family will be burnt alive. She will be turned into ashes.

20-40 thousand of holocaust will take place worldwide mostly of women & children.

There will be a cold drinks company called 'Jewish Blood' in Muslim countries which will be very popular like Pepsi, Coke etc.

There are people out there who will form company of women sanitary products & condoms in the name of America & Israel. Their national flag will be the tampon or pad. Same design. Their national anthem will be played in all porn pubs & sex shops and during sex acts.

The regime has no rule. The war also has a rule. But they bite & scratch the ^{OPPONENT} general & 'poo' in the army headquarters if they feel they are losing.

All yogis can't take animal births. Those who can are powerful yogis.

The Hindus should write like Muslims.

This will make them strong. Not for religion but for humanity.

⑧ The Zion regime is not devilish but a bunch of evil force. The demons even has respect for cosmic laws.

Trapped souls who can't crossover after death should be helped to crossover.

Instead the evil tantriks use them as their slaves and harm people.

Betals are like that.

They are not that evil. They even protect people if properly used.

Purbabhadrapada nakshatra born are rebels. Like R Krishna Paramhansa,

Madam Curie, Sridevi (Herself this star)

They do something which is a shift in the society. Ramkrishna taught us to worship Kali as mother. Madam Curie invented Radiation etc.

Sridevi is the first female superstar.

They all are unique energies.

My birth star is Purbabhadrapada.

African & Latin American people and all other oppressed countries in the world will progress towards peace and light.

They will become prosperous, democratic & independent in many aspects.

Spiritual corrupt means going to satanic church or places. Not be irreligious.

Not maintaining moral or ethics.

Sexually corrupt means having orgy with papa & son/daughter. Not marrying 3 times if domestic bliss is needed.

(9)

Dr. Chanchal Majumder's scam will come out & will get renewed. The original researcher will ^{not} get credit. He fantasized Suchitra Sen but said they're Higher Self is mind & soul. The body lies here in the earth plane. People do not utter what they feel. They show us what they want us to see. That is lower self. Higher self is the deep down inner existence.

Jews can't agree to disagree. So they are aggressive. Here Muke is in criminal hands. Entered Australia through Sydney. Planning to Muke Canberra, Australian Parliament, Victoria & elsewhere.

Modiji will ascend to Nataraj God after he finishes his Rahu dev assignment. Amit Shah to Rishi Dadhichi from Jaratkaru Muni. Sunny Leone curse will be reduced after that since the Rishi or God who curses when moves from that post the curse energy reduces. This is like a hook. The string attached to a hook. The string is released when the main hook is gone from there. All is energy game. Current Rishi Dadhichi yogi sitting there had cursed Sunny Leone as I have mentioned before.

BJP will leave their tail like a lizard & create a new party. Their rotten party will cease to exist. The new party will have a 'padma' word in their name. Nathuram Godse was directed by a British Jew's spy to hit M. Gandhi. It has nothing to do with RSS. RSS did not direct him to kill Bapuji.

(10) People say my words have power & they
hit directly inside our head.
They are potent and can change
the lives of people. It can make
them stronger than ever.

Rudra Manas & Senani will direct
their rays towards USA to give justice
to the world. Bhairav of Maratha will
direct his rays towards Israel and
justice will be served to Palestine.

Gods advice that when a person goes through
a rough patch she should be supported instead
of calling her or him a sinner.

We should release her pain & help her
to ascend to the next level instead of
abusing her so that she may fall into
the same trap again. Ascension is the goal.
Not demotion.

Mooji is my soulmate. He is helping me. It
will reduce his birth.

Arunachala is a Red hill. A agni lingam.

Like Lord Shiva linga. But it is Sadashiva.

Supreme Being. Meaning this is a place which
can hold divine energies bombarded towards
it from Satyaloka / BrahmaLoka by the
liberalised sages, which in turn heals our
planet.

Yogis like Sarvapriyamanda or Sri Sri
Ravi Shankar has taken birth here to
absorb the divine energy sent by the
gods and in turn heal the human beings.

(11) Else they would have completed their yogic Sadhana from higher planes.

They are healing the planet. They absorb Supramental light and gives the mankind and animal Kingdom the heavenly light in bits & bytes to remove demonic forces & cleanse our soul. So we get peace when we go to real Sadhus or priests or rabbis or Maulavis like them.

Gods couldn't have send energies here if Sadhus like them were not here today.

BJP/RSS etc. will turn into a good establishment who will work with real Hinduism. Not Zionism. It will neither hate any race or religion nor it will create mess in the name of caste or cow worship.

Hinduism is the most rational religion in the world who preaches aethism like Samkhya philosophy as well as consumerism as Charbak darshan which is Lokayata.

This religion also promotes god philosophy. Advaita, Vaishnav (Duality) etc.

Though Samkhya is another path of seeking God only.

Advanced or Refresh button pressed RSS will teach all this. It will not teach Judaism in the name of Hinduism. Aka Saitanism not Judaism instead of our own darshan.

Dr .Chanchal Majumder was a lecher and anpad admi who raped his wife during her periods as women should not be touched during these time these are their body healing kind of times . His wife took off her old saree clothes, **Dhona banana shukhana** which she used as sanitary napkin and put it in the bed and fucked with her husband saying Oh amar Chanchal , O amar Chanchal

Then he kept on fucking his other girlfriends elsewhere . He destroyed his other colleagues also through tantra . His all shit will be exposed . He used to feel my Baba is a migrant and poor at that time so he did not have any right to live decently let alone study elite subject like Physics under Prof Satyen Bose as he used to travel by a car with Manohar Dacoit background his wifey was a BHETO BANGALI echore paka mohila who used to abuse people as she thought her hubby was Bengali Einstein**Yeah they are , both are lechers and frauds**...he took the research work of some other physicist and put his name it that and now it is known in his nameIndian Government will stripe him from all prizes and his name will be shattered into pieces ...he will become INFAMOUS and people will curse him. He attached demon in my father's body that is the reason why my Baba became so violent and all our lives we dealt with his anger issues and my mother suffered physical violence and Majumder's fucking wife had sex with him like **O amar Chanchal** uttering bullshit after using tantra a fucking bengali dacoit schedule caste Dalit family abusing Us , ucchhoborno kayashtha ...money from convict background...how dare he ?A criminal always a criminal...Chanchal Majumder is a criminal...**attacking me with demons from other side so that I can't write all these**...destroyed all our lives....Very dirty . filthy energy...such a cheap person with a mask... Now God, Destroy Chanchal Majumder...his name, family,ancestors,Spirit guides, Guardian Angel and everything associated with him.....There are proofs of all his activities....he did not know that there is a group of scientists who has recorded all his criminal actions now which will come out in public and his students will try to remove his biodata from wikipedia and undermine his profile ...He was into financial scam also which CPM government found out and he was very angry about that and tried to stop the scam from coming out and threatened the government that he will involve the international scientist forum even Nobel Laureates if they try to arrest him he was such a scum but he never believed in god either .He just did tantra to fulfill his nasty control freak motives and desires ...Read next page....

(12)

Apsara Ghritachi aka Sunny Leone was trapped by her ex-boyfriend into drugs and then they took her 'margi Easbir' shot erotic videos and made her a porn star.

Makeish Bhatt heard about her & rescued (spell) her.

I get attacked by entities. So spellcheck is needed also construction of sentences. Read the msg. only.

She will be the ^{Son} ~~daughter~~ of Ratan Tata (Retrograde Shani then Parvan dev) and Suchitra Sen (Matangi Mahavidya) and daughter of a royal. Real princess. I am getting Monaco Royal family.

She will be split into two halves as twin flame. One boy, one girl.

Moon Moon Sen will be her sister though as Suchitra Sen's daughter.

Moon Moon Sen will ascend to Devi Saraswati from Yamuna River.

Finger's crossed. †

***** Grace Kelly was wedded in this royal family.

END
