***Truth is Your Birth Right. Assert
it and Be Master of Universe. Truth
is “Tattva-Masi” - “That Thou Art”
— Swami Rama Tirtha***

Swami Rama Tirtha was a Vedantin of the highest realization. Vedanta according to him is no dogma or blind faith, but the Reality of realities. It is the realization of our true Self, *Sat-Chid-Anand*, the state of All-Being, All Knowledge, All Bliss. Swami Rama was not only a religious teacher, but was also a fearless social reformer, and an undaunted patriot.

My website :

www.gargiz.com

My semi autobiography in 3 parts has been downloaded more than 60 million times .

The new book Mohanbanshi Nupurdhoni has been downloaded more than 297832 times globally within 48 hours of launch . The book Narayani has also become quite popular . It has been downloaded more than one crore times within two days of uploading .

This makes me happy cause I have no advertisement and people are accepting what I am saying .

Shakambhori has been downloaded from India; more than 3 lakh times till today (as of 18th of January , 2024 . Rupvidya has been downloaded more than 10 million times within 24 hours of uploading , globally .

And it is just a guided book not any music concert subscription 😊

Images; Internet, credit goes to them .

To all the fearless soldiers
of the world who are fighting
for their homeland and rights ;

God wants peace.

Everybody is his child.

He has zero enmity with anyone .But you must follow the path of truth and selflessness to achieve your goals .That is the only condition he imposes on us .

So please don't leave the path of truth .

He has no hatred towards any living beings like ---

human,animals,birds,insects,demons or devils.He is the father of all and from him he all have originated

.So we must stop hating each other .

Situation arises when we start hating each other and create conflict in other people's lives but we must maintain our cool because if we behave in that manner then a time will come when we will lose everything and become a spiritual beggar and bankrupt and would be placed into a very dangerous situation where we will suffer for our deeds because what we think we are doing to others are actually projecting thoughts towards our own self only because in reality there is only one self . No two selves.

So what we do with others are actually things done to our very own reality. This is the only reason we have to suffer for our actions .

What we pour out there in the cosmos return to us through the

same path by which it had travelled to some other place we wished for .

God wants peace in the whole world .

He does not want war and endless war everywhere .

Suppose in the middle east !

He wants to stop the war permanently and bring back everlasting peace and happiness there .

There will be a saint named Rishi Sayangsiddha who will bring peace and harmony in Syria and Iraq and Lebanon .

This great warrior saint will be stationed in India near the foothills of Arunachala- the divine hill, and would spread the divine knowledge and wisdom through his action and

meditative techniques for greater part of humanity . He will realise god at a very young age and leave the society and his kingdom forever to answer the divine call .

His wife, who is also a divine soul and daughter of KUKKE SUBRAHMANYA MURUGAN JI

will run the kingdom afterwards .

At a later stage he will attract his brother , the crown prince of IRAN who is his soulmate towards him and grant him self realisation .

This crown prince is actually -the water god VARUN DEV .

Satanic church is everywhere .They want to destroy everything with their greed and lust .

I am channelling this book in english because they have garbelled my bengali font . I could not type in bengali on my computer now.

They are everywhere . Unseen beings . Masked and hidden . Destroying the society .

You will find them in every corner of the street .

You will have to be very cautious else they will track you and destroy you . This is how they have destroyed Palestine,India and now trying to destroy USA .

Jeff Bezos girlfriend Lauren Sanchez is their product . She has

trapped Mr.Bezos to destroy Amazon and eventually USA.

She is a regular of the satanic church .

She does rituals to stop the growth of amazon and low it's share price and block the company so that the zionist regime can grow exponentially .

They do it to destroy sane human and to take control over the whole world and make it a slave of low vibrational beings who are all into sex, drugs, child porn, pedophilia and filthy business practices like organ trafckicking of dead soldiers and having sex with dead bodies .

Because these low vibrational beings come from other world which is not according to our culture and ethics so people get

caught into their trends and it can create havoc at a later stage .

If Lauren was not in his life then Amazon would have become a far more successful company than now .

Indian general Manoj Pande I think his name is has threatened to NUKE India if anyone exposes BJP and RSS scams .

He is also a member of ZIONIST satanic church who has killed General BIPIN RAWAT mercilessly to attain power and position . He is a womaniser who has been honey trapped by agents and has fallen prey to it .

Bipin Rawat was a true soldier and was trying to modernise Indian Defence force.

They are everywhere . Now this general would suffer severe losses in the hands of GOD .

Because it is DEVI Meenakshi who observes everything . And she has noted down it all .

This general has molested some of the famous beauty queens of INDIA brutally and has blackmailed them regularly and has destroyed their family and reputation .

They are lovely ladies who just joined the industry to share their beauty and acting skills but this monster who was suppose to save the country actually chose to ruin the women of INDIA under a MASK .

And BJP party is his protector .

India is based on spirituality . It is her backbone but that does not mean it should rely on occult stuff .Rather it should dive deep into the vedic and Vaishnab philosophy and other great religious philosophies and engage into spiritual practices to uplift the soul of the nation and the people at large .

But nowadays people want instant success that too anyone want anything under the sky meaning greed has no limits .

So people are rushing towards occult stuff . In reality TANTRA is meant to realise god . I AM THAT . Not to achieve psychic powers, misuse it and then fall into a grave . Tantra sadhana is quite difficult in a way . It should be done under a

very very learned and wise master else the student might fall into low level trickery and stuff like that .

The low vibrational entities they deal with can trick them into situations which can create havoc in there lives afterwards.

Tantra is not an easy venture to deal with .

It is better to do Karma yoga, Bhakti Yoga and Dhyan Yoga to reach your goal than doing tantric sadhana .

There are tantrics out there who are actually **BAD GATEWAY** in the language of computer science who actually spoil or at least try to spoil other religious and spiritual organisations with their rituals to become **TOP** level players like corporate goons.

Nowadays this is very very common .

There is a Tantric out there sheltered by BJP who has tried to spoil every religious and spiritual trust and organisation in INDIA to become the top leader in this game and he lives in Uttarakhand and his name is some SATguru something .

Beware of these gurus who are actually sheep in wolves clothing and spiritual monsters .

His job is to destroy all political parties in INDIA and financial organisations in INDIA by means of tantra, to benefit BJP and RSS .

In this PAAP CHAKRA State Bank of India will become BANKRUPT . But the poor and middle class will get their money back . And all these rascals will not only become

beggars but will be exposed for what they have done .

They are SATAN's agents .

They have done heavy dark magic spells on internet as well .

And they should be eradicated to save humanity .

Fingers crossed .

GOD WILL SAVE US .

We shall overcome

Someday,OH,

Deep in my heart I do believe

We shall overcome someday .
