Jahnvi was never my daughter. She was Sridevi's daughter only .Not my offspring. People come here and say things which are not true always cause I can't verify them. As soon as I verify I produce it to you . So she was never raped by my hubby in one incarnation. I am here only to entangle energy and give you information that's it. Hope you will understand my situation and forgive me. Planning to convert Shirdi Saibaba , Ramana Maharshi, Totapuri baba , Ramkrishna Paramhansa etc. to Pornstar and womaniser and threatening Indian government to do it else they will NUKE INDIA

World's 90% powerful & Rich & famous people will be sparked after death as punishment. They are so evil and rotten.

The spark punishment has degrees of spark like degrees of burn. 30% or 40% or 50% etc. Severe degree more painful. Difficult to get a body. Very acute. Leads to eternity.

Qassem's muslim guru a romaniser. Guha Namasivayah has met him before. He had proven to him that 'Shiva' is greater than Allah or Islam. That is not a real thing. Both are parallel. But this guy took it in his ego & now trying to destroy Qassem. Qassem is more powerful than him. He sucks his energy & tries to be a celebrated guru himself.

This is common nowadays. This type of gurus suck energies of advance devotees & themselves become celebs. Through Tantra.

He projected Qassem as a terrorist & Mukhanoti's wife as an escort which Qassem denied ~~heavily~~ heavily. It was Ramana Maharshi's energy flowing through his Evin flame which has saved him from total destruction. He has trapped him for 3 lives. When understood that he was more evolved than him, he put a demon between them. It was Ramana for whom he has evolved into a state of consciousness from where he will be Imam Mahdi now & his bastard guru will be totally destroyed & sparked. There are many realised muslim Fakirs now but this one is not one of

(2) Hem. Gasseem's Baba (biological) is a real mufti and good spiritual soul & he will ascend to Janaloka soon. Twin flames can merge into one soul if one is god-realised and the other is not. The body of the realised one operates with the energy of the body of the non-realised one. Same god or Rishi's energy. When they are merged the non-realised one dies. The realised one operates on the residue energy of the non-realised soul. When the realised one dies that time the non-realised one achieves moksha and merges into Brahman living the body here in the earth plane. So the non-realised one's body can be retracted also in this energy game if their guru permits them to do so. It all depends on their Karma (Vog basona) and situation. This case is cited as bidchi mukti for the non-realised part.

Zions forced Tillottama & Yashodhara & Bani Basu etc. to manifest my 'amazon plaziarism' accusations. Though Iskcon monks did the ground work. Malay guru if does the work will go to Lord Ayappan post. He is a muslim.

Thank you all 'Kali matas' for protecting us. Thank you very much.

Raghuram Rajan was stopped from ⁽³⁾
getting Nobel prize cause he is not a Zion
supporter.

Lord Shaktuni please get activated.

Akshara & Shrutki will be saved and protected
by the Supreme being. Also their family.

My sons, Soleimani, Varun, Shantanu all are
protected by Maharshi and other Richis &
Sages from mental & causal planes.

All the demons in the water sources are
banned from emerging and activating.

They won't be able to enter our earth plane.

They won't be able to harm us.

People trying to provoke them will get
culminated. Protect Varundev, Almighty.

Rudras are very fierce. When created they were
early gods. Now they are fierce and major.

Sits in Rudralok higher than heaven, Swarg.

They are in Maharlok. Their energy can
destroy heaven totally. Now they will send

their energy to USA & Israel. They will teach
them a lesson, for constantly torturing
innocent people. Massive earthquake in Israel

12 Richter scale, measurement. Rudrani Sarpi, ^{be} active.

Kuberji and Alokapuri will be saved. Love for all.

BJP hacked the election, last time.

Congress has won. Zionist regime threatened
them if they don't allow BJP to rule they
will nuke India. Journo's are paid for
the propaganda.

Bhoy Bhoy Bhoy jodi -

Regime er dollar mosto
hoi.

④ Twinflame is a very powerful connection.
If one has a shit guru the other part
can lift it through it's sadhana if
it has a powerful guru.

Same soul in 2 bodies.

Better not to go to a fraud guru
instead sit at home and pray to your
Ishta devata.

This guru will trap your energy &
make you 'kangal'

Raj Thakery was my cousin in Rana
Sangh life. Distant cousin. Raj & Sonak
They were Rudras & Rudrani. Bendre.

Ritudhaj & Sarpi.

Now has fallen from grace.

God will protect them.

Active Sarpi will help us.

Current Sarpi & Ritudhaj will ascend to
Janaloka after helping God. They
are very powerful yogis.

Then the next set of yogis will
take birth here to show the world
that Rudras can also love like

Radhakrishna, Haraparrathi, RamSita etc.

They can have domestic bliss too.

7 asuras will upgrade into 7 horses to
experience bliss. They are the horses
of Lord Surya. These asuras are
cursed angels.

The horses are Gayatri, Bichati, Ushnih,
Jagati, Trishtubha, Anushtubha, Pankti.

They will go to Surya loka.

Not all are trapped by Satan.
Some go there by will. Biden spends 50% of his income in satanic temples.
Last time the election was hacked. This time the same will happen. Last time Democrats hacked the election like India. This time if it repeats USA will suffer severe fatality.
They will face God's wrath since this is Satan's plan.
Dr. Devi Shetty's clinics & hospitals will be saved & healed.
Realised Saints don't have desire. But they fulfill other people's wishes.
'Tathastu' is their word.

Minisha Lamba forced to do brutal manifestations. If she surrenders to God she will be saved. Else she will face God's wrath.
Erons doing brutal manifestations against devotees of Maharshi, Rishi Aurobindo & Sri Sri Prabhupada ji. My guru, Guardian Angel & Spirit Guide. My soulmates, Iskon & other devotees, Powerful people.
They are very angry that they were unable to manipulate my guardian angel & Spirit guide. God will protect all.
Manifestations will backfire soon.

Some guys will ascend to God's level.

Nowadays be like 'Shabani Pathak'
not dacoits in a Zionist Regime,
destroying your own country.
Jews are shrewd and bad people.

'Matlobi jat'.

They don't have buddhi but lots
of bood buddhi.

Can Mossad or CIA guys be Arjun or
Karna? Can they shoot after seeing
the shadow only instead of the
real fish?

Vire rogga Vasundhara.

Women love them. Not fake guys
like Mossad or CIA agents.

War will not stop. But it has a rule
and norm. How will 'general Baram'
born if there is no war?

But we will shoot the 'Rabid dogs'
who are creating havoc in the
enemy camps. Fingers crossed.

We know how to tame the mad jens
dogs.

Akshara H. wants to be a library owner.
She is an avid reader like her mom.

She was a language lover. Very much
into Linguistics. Now she will succeed.

She wants to start a huge library like
the Foreign libraries in India for the
poor & down trodden. She wants to do
a course in Library Science & be the
Chief of staff in the library.

Twinflame is a hard connection.

Spiritually evolved souls are done. Either heading towards moksha or cursed angels or astrologers or shamans. Divided into 2 parts. Soul division is painful. Like cutting a hand. Always feels little bit empty inside. Living without a hand like situation. They are brave souls & generous. Not all gurus permit to have a twin flame situation. When they don't have a guru, their ancestors give them permissions. Ancestors has a lead post where a leader sits. He gives the permission. They are into romantic, friendly or shemoy relationships.

Brett Favalaro and Dawn Stimpson are twinflames. They were Lord Ketu - the South Node. Cursed Angel. Divided into 2. Now recovering. They are healing. They will become Khandoba and Mhalsa God and Goddess in near future. They are my soulmates.

Phoolmata is my soulmate. She said to me that tantra was given to us to fulfill our desires quickly & ascend towards Moksha but now we are using it to manifest lust & greed and selfishness. Like a police man gets a lathi to control people for law but if he starts hitting his wife & parents with that stick the thing will happen in the case, same is happening here. Tantra is doing it now. She will protect my fertility and womb now.

⑧ Sridevi was a Cantrick. She destroyed
Reema Lagoo and other actors careers &
lives like Jaya Prada.
Her daughters are into porn films.
Most of the Bollywood stars are
porn stars now. They hate Sunny
Leone but they are into that.
This 'Kali-Moti' aurat wanted to
be princess Di of Bollywood.
People said that she was a living
chudail and Islam hater.
Did magic against Sanjay Dutt &
ruined his reputation.
They manifested the womb removal of
Mithun Chakraborty was trapped by
her. Satan's agent. Boney Kapoor
too was trapped by her. -ier
There were far more pretty &
talented actresses than her.
People say that 3-4 women love
her she is so ugly.
Not only Kalimoti but nose &
lips very badly shaped.
Acting skills mediocre.
My husband once saw her in the
lift and unable to recognise
her due to her mediocre looks.
Now Dubai King will deal with
her daughters.

They all have tantriks & aghoris in their home. They are common men.

They are supposed to be in cemetery & cremation grounds.

Not in normal habitation. But why are they there in human house?

Chase they do rituals & harm fellow human beings. Zionist Regime theory;

"Destroy your country;

Destroy your place of worship."

We will pay you in US Dollars.

There was a person who used to relax under a tree regularly. Some people saw him and tried to lure him towards Satan.

He asked why. They said that he will give you TV, fridge, AC, this & that.

The guy said that I have a peacock

⑩ here so I don't need a TV.

I have birds singing so I don't need a CD player.

I have cool breeze so I don't need AC. But why you are trying to push all these to me?

The person smiled and said that it will give him peace.

The first guy who was relaxing was surprised and took a deep breath and said that,

"Then what are your ideas of me doing here?"

Happiness is a state of mind.

Peace lies underneath the consciousness frame of life.

Wikipedia spreading fake information will be destroyed.

Boney Kapoor, Jahnvi, Sridevi are no gods or angels. All pisachs & demons. Possessed souls. Will be dealt with the universe soon. Sridevi tried to trap Amitabh Bachchan also.
