The post of Yamraj & Yami is ^{considered} ^{as} ^{the} ^{most} ^{powerful} ^{of} ^{the} ^{gods}. The souls who will ascend, they will be shattered into pieces unless they are divinely ordered. Yamraj (Dharma palaki) & The souls are trying to hit their force fully but gods & angels are there to observe each & every move of these guys. Rishi Anurobind took initiation from Maharshi in a ~~trial~~ after his dehotyag. Maharshi told him that he will grant him liberation during his dehotyag in his next life called 'Videhe mukti' as he did to his mother. Also he would have taken more than 20 births. He is now in mental plane. He will do his yogic sadhana as usual. But salvation will be given to him during his leaving mortal frame in next life. He will ~~find~~ ^{FIND} a new dharma like Sikhism or Buddhism. It will be a Dharma of peace & unite people in the world. †

A bhairav from Bankura (Tantrist) will ascend to the stars post Suravi (Taurus Constellation) in Vrishabha Zodiac. This zodiac is ruled by Venus. † He is from Ketugram. Follower of Bahula Man & Bhairav Bhiruk. He is originally from Bankura. His friend & close aide will ascend to the Star Ashlesha (zodiac's) symbol, a coiled serpent representing the Kundalini energy or serpent fire at the muladhara chakra. † The Nagas are the deities of this zodiac & are called serpent deities of wisdom. † Ashlesha means clinging Star. It is located in Gandanta (Knot) zone. †

(2) Surya, Agni are all fire energies.

But Rudras are just fire. Surya, Agni can burn crimes but Rudras can annihilate the whole. Meaning of fire is not always destruction of burning. It is pure also. Lord Vishnu is pure. So he can create any avatar like Lord Narasimhan who tore apart Hiranyakashipu. So fire means purity also. Not always ferocious or hot soul. My biological mother has been elevated from Treshtha nakshatra form to Goddess Narayani the tridevi form. Her sins has been cleared through yoga of Arunachala's healing light. Narayan Murthy has been elevated from Lord Kubera to Hinglaj Mata's post. Dyalatha of her Father Rameshji of my Nani of chhoti mausi can ascend to their given post if they can clear their sins through vigorous yogic path of healing light of Arunachala's Sat Sanga. The things I channel here is their souls journey. Supreme Being does not destroy anyone. He shows the path only. Now it is upto you how you will plan your holy journey to reach the destination afterwards. As I said before Post given by gods to someone can change. So keep an eye & stay in the loop. +

✓ Baba Shyamakshipa will ascend to Aghora Shub post. Guruma will ascend to Man Chandra - Ghanta post. Their son with angelic aura will ascend to Bhakti Ganapathi. He is a pious & spiritual soul. Baba & his son both were pramathest before. Guruma was

The muslims will now face wrath of people globe wide. Specially the clerics. They will be burnt alive. People will say - Muslims are born to be terrorists. Sympathy will go towards Palishina but not to clerics. Mecca will be bombed now. It is a papnagari. High level corruption goes there in name of religion. Nagas budhu business, small children flesh trade etc. Then Imam Mahdi will rescue the muslims from ashes like a Phoenix. Their new religion will be in a new name 'Nur-e-Layat'. The Imam the Mahdi will be no other than the great general Qasim Solaimani & He will show light on Nur to the suffering Muslims like Moses had shown to the Jews. The torch bearer.

Nur-e-Layat means Light of life. The religion will be based on core teachings of Islam. The Sufi Philosophy. Not judgement day but Moksha - Fanaa & the path shown by great saints Maulana Jalaluddin Rumi & Moir-al-Din Chisti etc. It will be a logical and pragmatic religion based on Karma yoga, meditation & mutual respect & Women's rights. Those who want to ascend should take God's permission. They will go through a rigorous angelic

mentorship of yogic program to elevate (4)
their vibration to suit the post. The lokas are
delicate. Else their spirit bodies will get
destroyed. So take their permission first
then I will channel it for you. +

Trishanku in globe is Southern Cross constellation
also known as Crux.

Three low loka beings who were guides to
many will now convert themselves to god's
agents.

- ① • star sati (Spica) ✓
- ② • star Mayavati (Algol) ✓
- ③ • SAR (star) Kapoti - (Lepus) ✓

They are protective stars of nurturers of generation
ethics now Spica is in Virgo Zodiac.

⑥ Lepus lies in south of celestial equator. Its name is Hare in Latin - it is below ORION (The Shikari) sometimes called a hare being chased by Orion's hunting dogs.

⑦ Algol is a star system in Perseus constellation. Naked eye can see it so it is a demon star. It gives us a protective talisman & it is the symbol of female power (Sree Shakti & Prakriti) & Charistya.

It protects from evil eyes of darkness. & An Acharya will ascend to Saranga star. Procyon star. It is the brightest star in the constellation of Canis Minor.

❁ Mata Harsiddhi one aspects of Durga is a regional hindu goddess popular in Gujrat, MP and Maharashtra. Tarvi will ascend to this post. She is worshipped as Kuldevi by Brahmin, Rajput, Vaishya & Jains, Gurjars & many more calls her Kuladevi. She is deity of fishermen & sea-faring tribes and people of Gujrat. as she saves ships from shipwreck & pirates. & She is called Harshal Mata also. It is said Krishna has worshipped her during his lifetime. The yadavas worshipped her to defeat a demon. Then when he was killed they became (Harshita) so she was called Harshal or Harsiddhi Mata. The original temple has been built by Krishna himself. & Rishi will ascend to Makaradhvaja post. ❁ He is the son of Lord Hanuman. He was born out of his sweat. He was a pious & loyal soul. The Jethwas claim their descent

from this deity. He has a son Modi. He is a
Nath called Jethi - shwaga. Jethi's worship Hanuman (7) (8)
Amruthe baby will ascend to another god's post

Jethi's Ishtadev is Hanumanji

The Jethi dynasty ruled Kathiawar & later
Rastardar. They have Hanuman as their royal flag.

The temple will be: Hanuman Dandi Temple

It is located on Beyer Dwaraka on island off the
Coast of Gujarat - India.

It is dedicated to Hanuman & Makardhuj's
son. Hanuman is Celibate but his son was born

from his sweat. Sweat drops consumed by a Makara
Fish (Crocodile). The temple commemorates their
story in details.

Amruthe baby will be devi Mangala. She will
be in Belasa in Mangalore. This is the temple
of Shakti in form of Mangaladevi. The city

derives its name from this temple. She is
Parvathi actually. 9th Century temple. Built
by Alupa dynasty Kundavarman King.

Matsyendra Nath was the patron. Some say
Lord Parshuram had built it originally. Then
Kundavarman extended it.

Matsyendra Nath is founder of Nath tradition.

A princess from Malabar renounced her royalty & became
a Nath devotee. Her guru Matsyendra Nath made her
Mangaladevi deity. This is another story. †

The Nath Saint came from Nepal. To rule India
spiritually. Alupa dynasty was ruling Tulu Nadu
then. †

S. Raykaku will ascend to Vindhya Vasini Devi.

She is a revered goddess of Hinduism. She is
worshipped particularly in the region of Vindhya

Normally yogis don't want to ascend to cursed or unusual god's posts. Their vibrations are difficult to deal with. Like gentle and rough terrain. Similarly. But if you can handle it then you can ascend to higher positions very easily and you can even get a position of your choice next time. †

A falling angel of repute will ascend to the Swastika sign of the sky. It represents the big dipper constellation which is part of Ursa Major constellation. †

Ganesh Loka is saved, healed and protected. ⁹
The low level beings are used in tantra and satanic cult
to curse people, their curse activates cause they are
suffering souls in low realms like kinnaras (Humes)
and according to spirituality they are to certain
extent 'DIRHATA'.
Likewise the gods are to certain extent pure.
Their curse also gets activated quickly. But not
common folks. In their case, 'Shakun's 'Shape gam
more na.' So pure & suffering (suffering) souls
curse gets activated quickly. Rudras are very
pure. Only selfless & pure souls can ascend
to Rudraloka else their souls will get completely
destroyed. Like selfless souls go to Kamaloka as
Madan dev & Rati, Prithi devi. Same story. Cause
Kamaloka is the abode of pure love & happiness.
Not sex of sensual pleasure.
Shivas live in cremation grounds means they are
almost free from desires. Their energy is needed
to get moksha. Vishnu loka beings needs to
ascend to Shivaloka to attain liberation cause
they are the energy of annihilation. Either a
Shivयोगी or tantric guru or a shiv/tantric
creator etc. or residing in Shivaloka & tantra
aghorī sadhana can grant liberation cause it is
pure physics. Vaishnavs has expansion of dualistic
darshan. But Shiva/tantrists are into annihila-
tion energy. So ultimately you will have to go to
that dissolution energy to destroy your ego.
This is simple energy game and nothing to be emotion
about. Vishnus are for Shiti so they are not
into much energy retraction. Narasimha avatar
needed a Sharabha avatar of Lord Shiva to retract
his fierce energy from the plane where he was.

(10) Vishnus are 'Enjoy the Leela of Krishna' this type of energy. Shiva is yogic energy. That's why he is a Rudra also. Tantrists also ascend fast towards Moksha. Dakshinachara path is better. Vamachara path is risky but they too have good sadhaks. But tantrists have a higher rate of fallen angels since they tend to fall from grace fast. Their sadhana is very hard. + Vaishnav sadhaks who have attained moksha do have a link with a tantrist or shiv yogi or aghori in their spiritual dna somewhere. This is spiritual fact.

Patulmashi & her mom wants to ascend to the position of two Yakshinis. Patulmashi wants to be Anuragini of her mom wants to be Pramoda. Anuragini is very passion - ate about something and Pramoda is Fragrant. They reside in Alakapuri & resembles fairies. These are yakshinis from Uddamareshvara tantra. They are 36 in number +

(10a) The spermatozoa (Sperms) will be saved & healed and protected by fertility goddess Mariamman, Sinivali, Bhavani +

Goshwami ji (Karnataka) will ascend to Akash Bhairav post. The sky god who is said to be the Kirati Raja - Yalambar. Legend says that he got his status through tantra. This Bhairav is called 'Aju' also. The temple of him is supposed to be a palace of Kirati King Yalambar 3100-3500 years back. Aju means first king in Nepalese. He was 1st king and extended this nation along Tista in east and Trishull in west.

People say in Kurukshetra war went Yalambhar⁽¹¹⁾
in disguise of Bhairav to help the losing party.
The Krishna chopped his head which reached
Nepal through sky. Hence name sky god or
Akash Bhairav. This Yalambhar was a hunter king
and great though. †

People say Maharshi never worked in the ashram.
Only ate food & gave darshan. Never solved any
problems the ashram faced. This is said by
many. He said that I am not here to punish.
If I punish then the cron sitting there will
not get out of my radar.

But the truth is he used to work hard.
Woke up early in the morning. Cut vegetables in
the kitchen. Cooking started before all.
Even while giving darshan people used to
come & call him to test the dishes & help in
cooking which they can't complete.

He was a silent teacher. Used to give sermons
rarely. His communication was in silence.

He used to say - those who does not understand
my silence I speak to them.

Saints & Sages work in the energy level. They
don't need physical presence or work to
satisfy devotees. Maharshi used to carry
bricks in his own head from Main Road to the
Ashram premises like a labourer that too
during mid night so that no one can see him
doing this cause they did not like their
chief's work. The ashram was in a hut stage
then. They were building it that time.

One day a devotee say him at night while going
for urination. People used to get instant peace in
his contact which took them to him several times. †

(12)

There was a Rishi in Treta Yuga called
Maharshi Vasudevanjan. He had cursed
Lord Vishnu & his Goloka Dham that
in Kaliyuga his ego will increase in
so much height that he will start abusing
'Mahapurushas' many of them & his
kingdom's 95% will get destroyed by
Radras & turned into cosmic dust.
'Amrita Bhasma' - his kingdom will be reshuffled
and real Vishnu of Veshnupriya will sit there.
Larvis will vanish & converted into mortal
beings. Only Gajalaxmi will reside there
since she is a sign of purity & power. †

(14) Maharshi never wore a sandal. He was a cave man & wore a loincloth. Had a stick of water jug only as his possession. Stick made by him from jungle tree. One day a fellow told him to check his foot for any scar or something like that. But he did not care. When the person started nagging then he said he him that see my feet. He showed him the feet. His feet was full of thorns which he did not even care to take out and in that painful state he was walking all the way and did not even bother to take the thorns out from his feet. Cause he always wanted to follow the teachings what he taught us -
'I am not my body.'

He came from an orthodox Aiyer Tamil Brahmin family & his father was an established pleader in Madurai town in British era. That time lawyers were the top notch professionals in India. Maharshi was supposed to sit for administrative exams but left home at 16+ after his salvation & reached Arunachala and spent his whole life there till 70. He used to study in American Missionary School though & used to visit churches & mosque & said to his friends that 'God is one' but it's human beings that has divided him into so many religious identities. There are yogis who ascend to gods post through their guru's sadhana. Guru shakti. Then they start showing ego. Work against Rishis & other gods, humanity, Animals, Birds, Trees. Then they fall from grace & become fallen angels.

(15)
Then they start torturing earth, lower planes & others.

When justice giving Rishis & gods take birth here automatically several curses of past Rishis & gods gets activated.

Like when Yamraj, Saturns take birth here or Lord Parasuram came here the past Rishis curses got activated and sinners got punished. Or Rishis like whom others have created for giving justice like Krishna or Durvasa etc +

(16) When gods ascend to other posts they are asked whether they want nirvana or not.

If they want to go to that path then they are given a chance & given the posts of yogi gods. This is to tame their ego.

Like Palani Murugan, Siddhidatri Durga, Yoga Nara Simha, Yoga Ganapathi, Lord Adi Naryana or Adi Lakshmi.

These forms can tame the wild ego of us. There are tantriks who are ^{gods} can create souls who are tantra proof means 'Baam marn proof like Putin'. Vladimir da.

A revered tantrik sage created him to teach a lesson to bad tantriks who harm people through tantra. These souls are specially designed & can handle the load of any amount of tantric rituals.

The sages who sit in satyaloka like Lotus in several frequencies but same vibrations can become a single Lotus or white dazzling light also since they do not have any desire, ego or special form. But due to their devotees ego they maintain a form. As the devotees are attached to their guru's form so they keep it; else the devotees will ponder where to whom they should surrender. They are not matured enough to surrender to a single Lotus form which is sacred & Liberated sage at the same time. †

The gods have consorts. Like Radha & Krishna.
That does not mean they will take birth here as
lovers or husbands or wife. Maybe or may not be.
They can be brothers or sisters or friends or
child also. They are yogis in a close working
relationship there in astral. They take spiritual

Challenges to solve it. There is no see (17)
physical there. Consort is actually like
Prime minister or President & their deputy
and vice post actually. Sometimes consorts
are twin flames so they are close & work very
smoothly. Other times they don't work properly.
It is the rapport they share between them.
Same kind of energies work properly. Like in
force works better. Soft works together better.
Vishnuloka inhabitants gets scared of Lord Vishnu's
Navasimha ferocious form cause he is very fierce.
Likewise. Saraswati, Ganesha are wisdom energies
They work together better. Similarly same energies
mingle in a better way than rough patches.

**There is a curse called RUDRA ROSH which
means the negative eyes of the Rudras..**

They are very fierce energies

**They are pure also. So if you are into any rudra's evil eye
then it is equal to hundred of curses put together .**

**The rudras does not curse anyone normally and they don't
entangle their energy with the Sristi naturally until and
unless they are invoked in the proper way but if they are
angry they can curse the souls and the souls suffer genuinely
and ultimately gets destroyed.**
